

\$5250 For Roadway; Nothing For School Walk

Tract To Be Purchased For Washburn Ave.; \$420 Walkway Is Rejected

Strong objections stressing the city's shortage of funds failed to deter the \$5250 purchase of a 35x295-foot tract for future widening of Washburn avenue between Pontoon road and Amos avenue.

The purchase was approved by a 10-to-5 vote Monday night. A few moments later the council rejected a proposal by one of the objectors for \$420 to be spent to install a sidewalk at the old Logan school. Pupils there walk along an unpaved street to a new electric sign at Missouri avenue and West 25th street. They go to the new Logan school for hot lunches and special classes.

The \$5250 purchase was recommended by Eighth Ward Alderman Frank Vesel, to align Washburn avenue and eliminate a hazard.

He was challenged by Alderman Mrs. Gabrielle Betine, who pointed out the purchase was not budgeted.

Alderman Samuel Whitmer also voiced an objection.

The final fight was won by Vesel.

"The street already has a 70-foot right-of-way there. That's enough."

"If you have to just cut down the width of the median parkway," Whitmer suggested, adding that "any money for improvement would be low on the priority list and work would not be carried out for three or four years."

Vesel called upon A. W. Pearson, the city engineering staff, Pearson said the added 35 feet would be needed to align the roadway.

"We ought to spend the money to improve the roadway rather than purchase the 35 feet," Whitmer stated.

Another objector was Alderman Charles Meyer.

"Last year," he said, "we budgeted \$13,000 to improve 27th street at the park. The concrete pavement is in bad condition. The steel reinforcing rods are showing in some places."

"The city ran out of money and the job wasn't done. This year it isn't even in the budget," Meyer pointed out.

"Twenty-seventh street has more traffic over it than Washburn avenue ever will," he added.

"Economics Have Forgotten," another comment by Mrs. Betine was that all of the council's earlier commerce moves were being forgotten.

"Like everything will be put back into the budget."

When she asked where the money would come from, Vesel replied, "the general fund."

Supporting the purchase were Aldermen Walter Norn, Rufus LeMaster, Estlin Von Schmitt, Casimir Skubish, Steve Bannister, Samuel Skubish, Fred, Edmund Bartoski, Joseph Cavan and Paul Johnson. Opposing it were Aldermen Meyer, Partey, Paul Rutledge, Whitmer and Mrs. Betine.

The unwritten resolution for the purchase was placed on first reading last week, and it was passed.

Madison Council Accepts Bids On Street Projects

Bids on two street and curb projects were accepted Tuesday night by the Madison city council.

Successful bidder on improvements for West Madison street and a portion of College street was G. H. Sternberg & Co. of Granite City at \$8969. One other bid was received, that of A. H. Sebold of Granite City, at \$12,285.

The low bid was accepted in accordance with the request of the state highway division. The project will be financed by motor fuel tax funds.

It is a joint project with Venice, part of the street area being in Venice, and Madison will be responsible for the rest of improvements not within its own city limits. The project involves repaving, resurfacing and concrete gutter and curb installation.

Only one bid was received for a road project on Milan avenue. The Sebold company bid of \$895 was accepted for removal and replacement of a portion of sidewalk, driveway and curb.

Amend Liquor Age Law

The council passed an ordinance on the sale of alcoholic beverages. The action was designed to amend the present city ordinance in line with the 1961-amended state law that requires females to be 21 years of age to be served drinks.

The previous age was 18 for women. The city ordinance provides for a penalty of not less than \$10 nor more than \$200 for each offense. A similar penalty is provided for persons misrepresenting their ages for the purpose of being served.

The council granted an expense allowance not to exceed \$100 a person for those city officials attending the annual Municipal League convention set for Oct. 21-23 at Springfield.

City Hall Scene Of County Zoning Hearing In GC

"The Madison county zoning hearing scheduled for Granite City township Friday, Oct. 19, has been set for 3 p.m. at the city council room in the city hall."

Thomas Butler, chairman of the County Zoning Commission, said the proposed zoning ordinance and maps of proposed zoning districts are on display at the city hall.

The zoning ordinance, which covers the entire county, is being held at the city hall, and will be available at the hearing.

The zoning proposal is intended to encourage growth and protect property values by separating various types of land use in unincorporated areas of the county. It is not present, unless it is in the city hall.

Eighteen township hearings have been held in addition to the city hall. Those remaining are Venice, Chouteau, Alton, Wood River and Godfrey townships.

Chester L. Baker Named New C. Of C. President

Chester L. Baker was named president of the Tri-City Chapter of the C. of C. at a meeting of the organization's board of directors Tuesday night, succeeding Paul L. Lichtenberger.

Baker, president of the Tri-City Printing Co., headed a slate of candidates presented by the nominating committee and approved by the board of acclamation.

Other officers named are M. Freeman Wolfe, re-elected vice president; Carl E. Mathias, new vice president; and Tryn V. Todd, re-elected treasurer. Baker was a vice-president during the past year.

The board's regular monthly dinner meeting, held at the Rose Bowl restaurant, was called to order by the outgoing president, Lichtenberger. Baker presided after the election.

New Directors Present

Ten of 13 new members recently named to the board of directors of the Tri-City Chapter of the C. of C. were present at the board meeting. All are beginning three-year terms.

The slate of candidates was presented by Sam Butler, Meyer, chairman of the nominating committee.

Following the election, C. E. Townsend reported the industrial development committee's brochure is complete and is now being distributed. Townsend, chairman of the committee, said the publication is a valuable tool in the work of his group.

Industrial Park Study

It was announced that a subcommittee headed by George H. Blizette is studying the idea of an industrial park in the community. Further information concerning the proposal will be given.

Pollution Study At Long Lake Planned

Nameoki Board Seeks Outside Aid; \$40,000 Borrowed For Roads

A study of Long Lake to determine any extent of pollution was authorized Tuesday night by the Nameoki town board.

Supervisor Harry Briggs said he will confer with officials of the East Side Health District to arrange for their personnel to work with the township health officer, Gene Rotter, in making the survey.

It was reported that Tuesday's meeting that a complaint had been received concerning an odor and water discoloration at the east end of the lake.

"We don't believe the matter is serious at present, but we want to find any sources of possible pollution and halt them as quickly as possible," Briggs said.

In other action, the board authorized two tax anticipation warrants totaling \$40,000 for road and bridge fund purchase of a used panel truck for joint operation by the rabies control officer and road commissioner and a bid call for purchase of a new typewriter for the town office.

Sever Report Next Week

There was no report on the proposed sanitary sewer system for the township, Briggs said the engineer was delayed a week due to illness and that a special meeting probably will be scheduled for next week to hear his report.

Board members also voted to change the meeting nights to the first and third Wednesdays of each month. The meetings start at 7 p.m. and have been held on Tuesdays.

The tax anticipation warrants—\$15,000 for the regular road and bridge fund and \$25,000 for the special fund—were needed to pay outstanding bills for materials and work throughout the township. They are to be obtained from Granite City Trust & Savings Bank at a 4 1/2 interest rate.

The used panel truck for use by Rabies Control Officer Donald Broyles and Road Commissioner Charles Harkins is to be purchased from Assistant Township Supervisor Charles Rotter for \$200. Bids will be sought for the purchase of a typewriter.

Briggs said members of the town board inspected the truck and found it suitable for the township needs.

Kash's Cash Is Thrown About

Two young boys, nine and 15 years old, are being questioned by county juvenile authorities today concerning their activities in tossing money about on playgrounds in the Long Lake area.

They are being asked about the reported disappearance of a sack containing about \$147 in coins taken from under a bed at the home of Stephen Kash, 3147 East Lake drive.

Kash reported the disappearance of the sack yesterday and said it apparently was taken the past weekend.

Salvage Work Starts At Hotel Steven

Salvage operations started yesterday at Hotel Steven which is to be razed to make way for a new, three-story Travelodge motel.

Workmen for George W. Longfellow Co., Alton, are removing doors, plumbing fixtures and roof lumber. A crane which is to be used to tear down the walls of the two-story brick structure, 19th street and Cleveland blvd., is to be moved in after tomorrow or next Monday.

City Building Inspector Earl Bloomquist issued a permit to the salvage firm Tuesday and said he has requested the work be completed in 15 days, rather than the 30 days sought by the firm. The razing permit amounted to \$600.

Bloomquist said he expects construction on the \$315,000 motel to be started this fall if the salvage firm is finished before bad weather arrives.

Two Local Sailors Take Part In Pickup Of Astronaut

Two men from the Quad-Cities took part yesterday in the successful pickup of Astronaut Walter M. Schirra. They are serving aboard the support aircraft carrier USS Rearguard, a unit of the recovery Task Force 130 in the Pacific.

The men are Gerald W. Smith, aviation boatswain's mate third class, son of Mr. and Mrs. Walter D. Smith, 161 Wright place, Granite City, and Raymond Valencia, airman, son of Mrs. Hattie A. Martinez, 1669 Market street, Madison.

The 400-man force was commanded by Rear Admiral Charles A. Buchanan. During the orbital space flight he was at the Pacific Mercury Control Center in Oahu, Hawaii, to direct the recovery force of seven ships, three aircraft units and a detachment of frogmen.

A similar task force was stationed in the Atlantic in case the flight should be terminated there.

Drainage Board Issue Loses By 2002 Votes

Evidence In Water Rate Hearing Due In Two Weeks

(Special from Springfield)

Illinois Commerce Commission Examiner Martin Dolan today set deadlines for completion of hearings on the application of East St. Louis & Interurban Water Co. for increased water service rates.

He said all evidence must be in by Oct. 16, with Oct. 27 the deadline for filing briefs.

Meanwhile Dolan said he would confer with Commission Chairman James W. Kerber for setting a date for hearing oral arguments, expected to be presented before the full commission the week of Nov. 5.

Under commission rules, the commission is required to issue an order by Nov. 15. The utility seeks to increase rates in the high level area it serves by 47% and 37% in the low level area, including the Quad-Cities.

A Witness This Week

Five witnesses testified at hearings yesterday and Tuesday. They included Michael Drzen of Clayton, an engineering consultant; Earl Olenford, Caseyville city superintendent of water service; Robert Weinel, St. Clair county land surveyor; Clarence Distel, Scott Air Force Base water system superintendent; and S. W. Hoskins, civilian chief engineer for the base.

Drzen stressed there was no legal justification for different water rates for the high and low level areas. Olenford's testimony was intended to show the utility merely furnishes water to Caseyville and that it has no other expense. Similar testimony was given by Weinel.

Distel, who testified yesterday, said that for a test year (July 1960 to August 1961) Scott AFB, using rates paid \$94.93, while under proposed increased rates the cost would be \$145,949, up 53.71%.

Next week utility attorneys Charles Beck of Chicago and Joseph Lowery, East St. Louis, plan to cross-examine witnesses for the large water users.

DAV To Honor 8 For Posters On Handicapped

Eight winners in National Employ the Physically Handicapped poster competition will be honored Oct. 15 at a monthly meeting of the Disabled American Veterans.

Granite City high school winners in the annual judging are Sandra Hopper, first place, \$15; Donald Thebeau, second, \$10; Carter Knippings, third, \$5; and Tom Cell, honorable mention, \$3.

Junior high school winners, all Coolidge students, are Wanda Sykes, \$15; Don Gann, \$10; Carolyn Clark, \$5; and Jerry Upton, \$3.

About 1000 posters were prepared by GCHS, Coolidge, Prather Junior High and Central high students to call attention to National Employ the Physically Handicapped Week Oct. 7-13.

Top local entries have been forwarded to Chicago for further judging and display. The drawing by Carolyn Clark was chosen for special display at the Chicago Art Institute.

The posters are to be returned here for use during the week and for showing at the Oct. 15 DAV meeting.

Sudden Attack Fatal To John Boetto, 61

John J. Boetto, 61, of 2258 Delmar avenue, died suddenly about 10 a.m. Tuesday at his home. Death was attributed to a heart attack.

A daughter said Mr. Boetto had been under medical care, but had been in apparent good health for the past two months. He was found lying unconscious on the kitchen floor by his wife, Pearl.

Deputy Coroner Henry Pieper pronounced Mr. Boetto dead at the scene. Pieper, who conducted a coroner's inquiry, said death probably was due to a coronary occlusion.

Mr. Boetto was born at Glen Carbon and had been a Granite City resident 21 years. A construction laborer, he had planned to retire next February. Other survivors include two daughters, Mrs. Norman (Loretta) Weber and Mrs. Robert (Rosalee) Erwin, both of St. Louis county; two brothers, Joseph and William Boetto, both of Gillespie; two sisters, Mrs. Annie Newcom of Gillespie and Mrs. Bonnie Ward of Potosi; and seven grandchildren.

Edward W. Shannahan Succumbs At Age 54

Edward W. Shannahan, 54, of 2717 Ralph street, died at 9 a.m. Tuesday at an Alton hospital where he had been a patient for a year. He had been in poor health for the past three years.

Born in St. Louis, Mr. Shannahan was a lifetime resident there before moving here three years ago. He was a former cab driver, operating his own business in St. Louis.

He is survived by a sister, Mrs. Jack (Gony) Starn, 54, of 2717 Ralph street address. Two sisters and two brothers preceded him in death.

Funeral arrangements are given in the obituary column.

Venice HS Cheerleaders Chosen; 13 In Tryouts

By MIKE LOPEZ

Venice high school cheerleaders were chosen last week after performing in try-outs before the student body. The five girls selected will lead VHS cheers throughout the 1962-63 year.

The new cheerleaders, named by faculty judges, are Barbara Manier, a freshman, Kathy Yearman and Marilyn Gonterman, sophomores; Roseann Cooper, a junior; and senior Gloria Ponce. They were chosen from 13 candidates.

The student body expressed its opinion by calling out the candidates in groups of five to perform various cheering routines. Mrs. Cleo Wells, cheerleaders' sponsor, served as master of ceremonies for the assembly.

Qualifications on which the selections were based include scholastic average, personality, appearance, conduct and popularity.

Other candidates for the cheering posts included Sharon Frawley, Judy Johnisse, Bernice Koelker, Mary Jane Gray, Mary Lane, Judy Heideberger, Mary Lou Wykert and Jane Johnisse.

GAA 'Playday' Set At GCHS

An expected 225 girls from eight guest schools will descend upon Granite City high school Saturday to participate in an Illinois High School Association GAA "Playday."

Beginning at 9 a.m., the visiting students will join members of the host Girls' Athletic Association in a day-long program of specially planned activities.

Miss Barbara Kerch, faculty sponsor, said primary purpose of the event is to promote active cooperation between the schools in girls' athletics.

Teams composed of members from each school will take part in archery, soccer, badminton and basketball. GCHS faculty members and students will serve as officials.

Charlotte Crippen, GAA president, will preside at the day's opening ceremonies. A group of Senior Girl Scouts, headed by Pam Bradley, will present the colors.

Sally Baumbarger, vice-president, will officiate at other activities during the day and Carolyn McRaven will lead in group singing at a noon luncheon in the school cafeteria.

Gymnastics Demonstration
During the afternoon, a movie, "Careers in Physical Education," will be shown. Granite City GAA members will present a gymnastics demonstration as final event of the day.

"Play day" committee chairmen include Linda McColligan, hospitality; Joan Greenlee, decorations; Janet Kramer, luncheon; Rose Whitten, field and equipment; Ramona Ortiz, officials; Pam Bradley, first aid; Betty Bern, program; and Cheryl Oranoh, prizes and awards.

Miss Kerch said faculty advisers will meet during the morning to discuss girls' sports in the area and make recommendations to the state association.

Girls' taking part in the Saturday events, in addition to those from Granite City, will be from Cahokia, Carlyle, Duplo, East St. Louis, Madison, Mascoutah, O'Fallon and Trenton high schools.

Barbara Manier, Bernice Koelker, Mary Jane Gray, Mary Lane, Judy Heideberger, Mary Lou Wykert, Roseann Cooper, Jane Johnisse and Marilyn Gonterman.

GCHS STUDENTS ATTEND LATIN CONVENTION

Latin plays, contests and songs were among activities at the recent District Latin convention at Marion attended by 42 GCHS students. They made the trip by bus, accompanied by their instructor, Miss Mildred Ifrig, and two of the students' mothers, Mrs. David Foster and Mrs. Kenneth Morrison.

TEEN COUNCIL HANDLES FOCUS MATERIAL

Members of the YMCA Teen Council will serve as correspondents to "Youth Focus," beginning next week. Granite City young people with items on school, club, church or other activities of interest to youth should contact any member of the council.

GRANITE CITY STUDENT AWARDED SCHOLARSHIP

Gary E. Boyer of Granite City has been named winner of the Illinois Mining Institute scholarship this year at the Missouri School of Mines and Metallurgy at Rolla, Mo.

The scholarship is granted each year to an outstanding Illinois student in mining-geology or mining engineering.

Boyer is the son of Mrs. Violet Boyer, 403 Kirkpatrick Homes.

Madison HS Classes Name New Officers

By DIANA FOX

Class officers for the coming year have been elected by Madison high school students.

Class presidents are Larry Lutz, senior; Bill Kalehoff, junior; Jack Miller, sophomore; and Leslie Sabol, freshman.

With all class members eligible to vote, each class elected a president, vice-president, secretary and treasurer. The National Honor Society assisted students with the voting procedure and helped count ballots.

Other new officers elected include Talmage Fish, vice-president of the senior class, with Jim Armour as secretary and Anne Hodges as treasurer.

New junior officers include Philip Fraundorf, vice-president; Donna Smith, secretary; and Mary Hodges, treasurer.

The sophomores elected Marlan Haddock vice-president, Tom Miller, secretary and Bernadette Barrett, treasurer.

Class leaders named by the freshman class, in addition to their new president, include JoAnn Macraes, vice-president; Rebecca Carty, secretary; and Mary Reed, treasurer.

CLARICE JOHNSON has been named president of the MHS Library Club, with Jennifer Signaio as vice-president.

VENICE STUDENTS MAINTAIN HIGH ATTENDANCE MARKS

Venice and Lincoln high school students compiled attendance records of 96.5% and 96% respectively during September, according to Supt. John O. Pier.

Even so, they were bettered by their younger classmates, with elementary students at both Lincoln and Venice maintaining over 98% attendance.

Pier said on the 22 days in September on which classes were held, the 148 students at Venice maintained an average daily attendance figure of 141.3.

At Lincoln high school, the 84 students enrolled maintained a 76.4 average daily attendance.

Venice elementary school's 298 pupils maintained an average daily attendance of 274.5 during the same period, and the 263 students enrolled at Lincoln elementary school held a September daily attendance average of 263.7.

Butler, Oros To Head Cast Of GC Homecoming Play

Bob Butler and Kathy Oros have been named to starring roles in the Granite City high school Homecoming play, "Pygmalion." Rehearsals are underway, with the play to be staged Oct. 24-25.

Miss Mary Blackburn, play director, said Butler has been cast as Henry Higgins and Miss Oros will be seen in the role of Eliza, the flower girl.

Other students named by Miss Blackburn to leading roles are Carolyn McRaven, Judy White, Kenneth Perry, David Kettner, Ruth Maxton, Ann Rich and Cheryl Glizick.

The George Bernard Shaw comedy will be part of Homecoming week activities themed "Round the World." Week-long activities will be climaxed by the GCHS-Edwardsville Tigers football game and Homecoming dance Oct. 26.

Coronation of the 1962 Harvest Queen will follow the opening night "Pygmalion" performance. Identity of the queen is a closely guarded secret until time of the crowning.

SCHOOL HOLIDAY NEXT WEEKEND

Quad-Cities students will get a vacation next weekend, with school to be dismissed Oct. 11-12 for teachers' meetings.

On Thursday, the Madison county teachers institute will meet and the following day meetings of the American Federation of Teachers and the Marquette Division of the Illinois Education Association are scheduled.

Eads Win 'Grand Prize' In Two-State Rose Show

Mr. and Mrs. C. E. Eads, 2021 State street, were winners of the grand prize, the American Rose Society Rosedale bowl, in the Special Challenge classes at the eighth annual Illinois-Indiana District Rose Show held in conjunction with the seventh annual Rose Show of the Central Illinois Rose Society this week in Springfield.

The Special Challenge Classes were open only to current American Rose Society members. The Eads entry was seven hybrid tea blooms, each a different variety, correctly named and displayed in separate containers.

The prize, a large sterling silver bowl valued at \$600 and mounted on a walnut base, will be retained by Mr. and Mrs. Eads for one year.

They were also winners in the Dwarfer Queen class selected from winners of three Court of Honor classes.

Mr. Eads, who has exhibited in many shows, is a past president of the St. Louis Rose Society.

Fines Total \$205 On Multiple Charges

Seven charges were filed at 5:35 p.m. Tuesday against Charles Edward Weidner, 19, whose addresses were listed as the 900 block of Third street and 1600 block of Delmar avenue. Fined \$205 last night on four of the counts, he was taken to the county jail for non-payment.

He was apprehended by Venice police for passing a stop sign while driving north on Third street and for careless driving, including travel at such high speed that his vehicle was seen to skid sideways.

Damage to furniture owned by relatives, immediately preceded the traffic arrest, resulted in a charge of property destruction, later dropped. Resisting arrest was added when Weidner jumped out of the police squad car at the city hall and ran into Lee Park, where officers captured him.

Other charges filed were drunkenness and driving without license, both withdrawn, and driving while his license was revoked. He was assessed \$100 and \$5 costs for driving during the revocation period, \$50 and \$5 for resisting arrest, \$25 and \$5 for careless driving and \$10 and \$5 on the stop sign charge.

Highly Regarded Redbirds, With 85 Points In 3 Games, Visit Warriors

"Reminding them of what happened about this time last year is the best way I can think of to get my boys 'up' Friday night," Alton football Coach Ralph McClain was saying.

Alton, drawing notices as one of the top ten prep teams in the state with its speed, depth and rock-ribbed defense, comes to Granite City tomorrow evening for a Southwestern conference game with the Warriors and brings with it a 3-0 record.

Heavily favored last year when the two teams met in Alton after the Redbirds had blanked East St. Louis 13-0 the previous weekend, McClain's team was held to a 12-12 stand-off by a GCHS team playing perhaps its finest football of the season.

Last week the Redbirds blanked East St. Louis again, 7-0, but took a physical beating in doing so, McClain said. Casualties included two starters who will miss tomorrow night's game, fullback Dennis Brant, out with a broken bone in his foot, and guard Rich Stevenson, who sustained a neck injury.

Otherwise, Alton is healthy, which could be bad news for Warriors fans.

Three deep at every backfield position, the Birds have rolled up 85 points in three games to lead in team scoring in this area and have allowed

rated team in the Greater St. Louis area.

"Definitely not," said McClain. "We've done some scouting, too, and Granite City has shown us that they are a good defensive club. Their game last week (with Collinsville) could very well have ended in a scoreless tie."

The Warriors dropped that one, 8-0, to the unbeaten Kahoeks, who nudged Quincy to the No. 2 quarterback due to Noblin's injury. With Fyfe moved to halfback, junior Norm Wilfong will get a chance Friday night with the No. 1 unit at fullback.

Other Southwestern action that will find unbeaten (3-0) and unscored upon Collinsville at Edwardsville (2-1), while Wood River (2-1) travels to Belleville to face the Maroons, who have allowed one score in three games and also are undefeated this fall. East St. Louis will be at home to Quincy in a non-conference encounter.

Granite City, forced inside Monday by rain, spent last outdoor session trying to improve its offense, which has been responsible for only one touchdown in three games.

Levi's also made some position changes to fill gaps created by injuries and virus infections which weakened the team this week. "One objective is also getting more boys ready for 1963 and 1964," he said.

The GCHS coach moved fullback Jerry Nelson and center Mike Rousseau to end positions this week, switched fullback Bill Boyle to halfback in hopes of bogging up the offensive backfield blocking, and switched guard Danny Petroff to halfback, a spot with which Petroff is not unfamiliar. Petroff was running well in Wednesday afternoon scrimmage after having been hampered by a leg injury earlier.

Center John Evenden has been called up from the sophomore unit. Jerry Line moved from center to tackle and Herb Heaton switched from left to right halfback after Warriors changes. Expected to come off the injured list Friday is junior center Mike Harris, who missed

Warrior games with a twisted knee.

On the reverse side, five players will probably miss Friday's game with virus infections or injuries.

Quarterback Larry Noblin is still recuperating from a badly twisted knee which kept him out of the Collinsville game. Guard Eric Robertson is also out with a bruised thigh muscle, sophomore halfback Nick Petroff is hobbled with a knee injury and halfback Steve Debevoise was hurt in Monday's sophomore game.

Bill Boyd, a tackle on offense and a defensive linebacker, is a doubtful starter after missing classes early this week with a virus.

Junior Jack McKeehan has moved up behind Bill Liernan as the No. 2 quarterback due to Noblin's injury. With Fyfe moved to halfback, junior Norm Wilfong will get a chance Friday night with the No. 1 unit at fullback.

Bill Boyd, a tackle on offense and a defensive linebacker, is a doubtful starter after missing classes early this week with a virus.

Junior Jack McKeehan has moved up behind Bill Liernan as the No. 2 quarterback due to Noblin's injury. With Fyfe moved to halfback, junior Norm Wilfong will get a chance Friday night with the No. 1 unit at fullback.

Other Southwestern action that will find unbeaten (3-0) and unscored upon Collinsville at Edwardsville (2-1), while Wood River (2-1) travels to Belleville to face the Maroons, who have allowed one score in three games and also are undefeated this fall. East St. Louis will be at home to Quincy in a non-conference encounter.

Granite City, forced inside Monday by rain, spent last outdoor session trying to improve its offense, which has been responsible for only one touchdown in three games.

Levi's also made some position changes to fill gaps created by injuries and virus infections which weakened the team this week. "One objective is also getting more boys ready for 1963 and 1964," he said.

The GCHS coach moved fullback Jerry Nelson and center Mike Rousseau to end positions this week, switched fullback Bill Boyle to halfback in hopes of bogging up the offensive backfield blocking, and switched guard Danny Petroff to halfback, a spot with which Petroff is not unfamiliar. Petroff was running well in Wednesday afternoon scrimmage after having been hampered by a leg injury earlier.

Center John Evenden has been called up from the sophomore unit. Jerry Line moved from center to tackle and Herb Heaton switched from left to right halfback after Warriors changes. Expected to come off the injured list Friday is junior center Mike Harris, who missed

Warrior games with a twisted knee.

On the reverse side, five players will probably miss Friday's game with virus infections or injuries.

Quarterback Larry Noblin is still recuperating from a badly twisted knee which kept him out of the Collinsville game. Guard Eric Robertson is also out with a bruised thigh muscle, sophomore halfback Nick Petroff is hobbled with a knee injury and halfback Steve Debevoise was hurt in Monday's sophomore game.

Pocahontas' I-C Protest Rejected

A written protest filed by Pocahontas Manager Dale Haberer concerning last Sunday's 8-7 Brave loss to Sacred Heart of Granite City in the first Inter-City Baseball league playoff contest at Wilson Park has been rejected by league President Vernon Lucas.

Lucas told the Press-Record that any protest filed for ruling by the I-C arbitration board must make specific reference to the situation or condition which caused the protest. Haberer's letter did not, Lucas said, and the Heart win will stand.

It is believed that the Pocahontas manager's protest was over an interference call at home plate in the final inning of last Sunday's game where a Braves' batter was ruled out to retire the side as another Pocahontas player attempted to steal home with what would have been the tying run.

MHS Has Dropped 3

Defensive Problems Haunt Friday Grid Opponents Madison And Dupo

Madison and Dupo, both of whom have had trouble in preventing opponents from crossing their goal lines and both without a victory in the Midwestern football conference, will tangle at 8 p.m. tomorrow in Madison.

Glen Pickering's club will be out after its first win this fall after three straight losses, while Don Brubaker's Tigers are 1-2 on the season, having defeated Nashville 19-6 and dropped games to CBC of Quincy (32-13) and Highland (33-2) last week.

Highland came from behind twice to nip the Tigers in an MWC game and to say that Brubaker was not pleased with his team's defensive efforts would be an understatement.

It was not a question of size Brubaker felt; Dupo's line had a weight advantage of sizeable proportions. "But Ramach (HHS) quarterback Ray Ramach" sucked us in all night and a lot of our boys—seniors, but lacking in experience—weren't able to adjust, even near the end of the game," said Brubaker. Long-

time football assistant at Dupo, he took over as head coach this year when Paul Taylor was limited to coaching basketball in a new contract with the Dupo school district.

Madison's problems, until last week, were more offensive than defensive in nature. Then the Trojans ran up against Cahokia, which showed me the best line I've seen all year," according to Pickering, in a 27-6 decision.

Linemen Nizinski, Onesky Engineered Only Madison TD

Linemen Teddy Nizinski and John Onesky, who helped engineer the only touchdown Madison high school was able to score against Cahokia last Friday were named "player of the week" positions this week by MHS football Coach Glen Pickering.

Nizinski, a 180-pound junior tackle, realized the dream of every lineman when he grabbed off a Cahokia pass which had been batted out of the hand of thrower Bob Cooper by defensive end Walt Cooper.

Onesky, a 200-pound junior guard, threw the only block Nizinski needed to go the 35 yards over the Comanche goal.

Both the "linemen of the week" play on offense and defense in Pickering's lineups.

Fleetwood Finishes Fourth In Triad Cross-Country Meet

Dupo handed Mascoutah its first defeat of the cross-country season yesterday in the 15-school invitational meet conducted on a muddy course at Triad high school.

Madison's Jerry Fleetwood was fourth among the finishers in 10:05, but the next finisher for Coach Earl McClanahan was 42nd, and Madison finished ninth in the team standings.

Madison-Cahokia Soph Football Resnet

The Madison-Cahokia sophomore football game scheduled for Monday afternoon in Madison was postponed due to rain and has been tentatively reset for Thursday, Oct. 25, MHS Coach Bob Page said today.

The Madison club is at home to Granite City high school's sophomore tonight at 7 o'clock.

Redesigned '63 Plymouth Has Extended Warranty

Plymouth and Valiant models for 1963, both featuring Chrysler Corporation's extended 50,000 miles or five-year warranty against defective workmanship, are now on display at Elledge Motor Co., 19th street and Grand avenue.

Plymouth, redesigned with a heavier look and featuring "clean, uncluttered" lines with flat front and rear decks, will be available in 26 models ranging from a new, low-priced Savoy nine-passenger station wagon to the luxury sports Fury models.

Valiant for 1963 has undergone a complete styling change and is being offered at prices beginning below those of last year.

New in the Valiant line for 1963 is a convertible model which is available in two styles and with a choice of either manual or automatically operated top.

Features of both Plymouth

and Valiant which have been retained in 1963 production models include unitized body, torsion bar suspension, aluminum steel exhaust systems, self-adjusting brakes, safety rim wheels and the alternator, a more efficient replacement for the generator.

Valiant models are equipped with a six-cylinder engine developing 101 horsepower, and the manufacturer recommends the use of regular grade fuel.

The full-size Plymouth models are available with either six or V-8 engines, with the six-cylinder model developing 145 horsepower. The Sports Fury includes three engine options ranging from 230 to 330 horsepower, with a four-speed manual transmission included among a list of performance options.

Plymouth comes equipped with a three-speed standard transmission, with Plymouth's torqueflite available as optional automatic transmission equipment.

FURY FOUR-DOOR SEDAN now on display at Elledge Motor Co., 19th street and Grand avenue, one of 26 models among the new Plymouths for 1963. Both Plymouth and compact Valiant feature Chrysler Corporation's 50,000-mile warranty.

Ministerial Association
To Take Part In UNICEF

The Tri-Cities Ministerial association will support the UNICEF program due to start soon in this area. Clergymen who wish to participate are requested to call the Rev. Lewis Kujawski, pastor of the First Church of God, before Oct. 10.

It is intended that the entire

area be covered if enough churches participate.

Locally, the program began at the Rev. Kujawski's church. It will be the first time the association has taken part as a group.

The purpose of the program is to raise funds to help needy children all over the world. Children collected funds for UNICEF instead of the usual trick or treat activity on Halloween.

VFW Auxiliary To Sponsor Student Essay Contest

The Ladies Auxiliary to the Veterans of Foreign Wars, Post 1300, is again sponsoring an essay program in the schools of the area. This will be the twenty-eighth National Essay program. It will be titled "What I Can Do For My Country."

Pamphlets have been given to all high schools in the community by Mrs. Frieda House, auxiliary essay chairman. Students interested in writing essays may contact their English teacher for assistance and additional information. There will be local awards for each local school and for students whom the judges select. The judges are to be announced later and awards will be made at that time.

State awards will be first prize, \$150; second, \$100; third, \$50; also a silver medal and a fourth prize, and honorable mention. The national awards will be, first prize, \$1000; second, \$500; third \$250; fourth \$100; a gold medal to each and ten \$10, and ten \$5 awards, as well as honorable mention.

The local contest will close March 1, 1963, and winners will be announced next April.

Hospital Service By World War One Group

Barracks 34, Veterans of World War One, and the Auxiliary held their October meeting in Granite City Tuesday evening. The business session was conducted by the commander, Charles Hutchins, and president, Mrs. Estella McBrien.

A new member, Mrs. Anna Schwartz, was given the obligation and delegates reported on the national convention in Buffalo, N. Y. Mrs. McBrien reported on hospital work which the organization has been performing at Jefferson Barracks. It was announced that the District Four meeting will be held in Nemo on Oct. 28 at 12:30 p.m. and the hospital chairman announced that Hospital Day will be held in Alton on Oct. 27.

Approximately 60 members served refreshments by the hostesses, Mrs. Kathryn Fellers and Mrs. Elizabeth Bergrath.

Win Infant Stillborn At Missouri Hospital

An infant son, Charles Earl, was stillborn to Mr. and Mrs. Vernon Winn of 2527 Russell street at 4:15 a.m. yesterday at Park Lane Hospital, St. Louis.

Surviving, in addition to the parents, are four brothers, Billy, Stephen, Vernon and Michael Winn, and a sister, Carolyn Winn, at home; the grandmothers, Mrs. Joan Todd of Madison and Mrs. Mary Reische of Mendon, Mo., and the great-grandfather, William Covington of Nangan, Mo.

Funeral services were conducted this morning at a Madison funeral home, with interment in St. John's Cemetery. An obituary notice appears elsewhere in this issue.

\$3 House Burglary

Four Additions At Coolidge School In Final Stages

Expansion of the Coolidge junior high school cafeteria is nearly finished and other additions at the school are expected to be completed by the end of this month.

Ceiling tile in the cafeteria addition has been installed and work was proceeding this week on the floor tile. It is expected to be in use by next week. The project is located at the northeast corner of the school.

Next closest to completion is an arts and crafts room constructed at the southwest corner. The ceiling is ready and the floor, which has been paved, is awaiting a sealer.

At the northwest corner, tiling of the floor in a multi-purpose room has been started but steel lockers are not expected to be received until next week or the following week.

Last to be finished is a nine-classroom addition at the southeast corner. Aluminum sashes have been installed, lathes have erected steel stud partitions, locker bases have been installed and glazing work has been started.

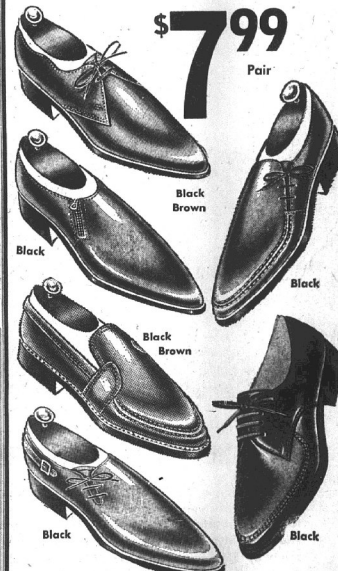

Class scheduling has been set up on a flexible basis so that the students can be handled temporarily without the new rooms. The facilities will be put into use immediately upon being completed and turned over to the school district. Tom Studebaker Construction Co. is the general contractor.

Local C. of C. Members Attend State Meeting

WHA Re-Elects Mrs. Argelan

Mrs. Peter Argelan of this city, was re-elected chairman of the Ninth District of the Women's Hospital Auxiliaries, Illinois Hospital Association, at the fall meeting Tuesday at the Dutch Girl restaurant, Belleville. St. Elizabeth's Hospital Auxiliary, Belleville, was the hostess group.

Other officers named were Mrs. Edward Willis of the Volunteer Service Organization of Christian Welfare Hospital, East St. Louis, vice-chairman; and Mrs. Ellen Mense of the Wood River Township Hospital, secretary-treasurer.

Registration and a coffee hour was from 9:30 until 10:30, followed by the general session. The welcome address was given by Sister M. Giles, O.S.F., administrator of St. Elizabeth's, who was introduced by Mrs. Harry Sert, president of the hostess group.

Reports were given by all of the Auxiliary presidents and luncheon was served at 12:15. Music was furnished by a girls' sextet of the Academy of Notre Dame, Belleville, and guest speakers were Mrs. Clement Schindler, president of the Catholic Hospital Association of the United States. His topic was "The Importance of Mental Attitude and Emotions."

After adjournment a tour was made of the hospital and tea and cookies were served by the Sisters in the lounge of the home for the aged.

Also attending from the local Auxiliary were Mesdames Mary Opich, Elizabeth Kelly, Carrie Couch, Martha Page and Ann Reedy.

Tea For Jr. Choir Mothers' Guild

A Mother's Guild of the Junior Choir of Suburban Baptist Church was organized Tuesday evening at a tea given at the church.

Mrs. Stella Toombs presided over the table where tea and cakes were served.

Ray Fisher, minister of music, gave a history of music in the church and spoke of the opportunities available to children through the Junior Choir.

Announcement was made of the first regular meeting of the group, director of which is Mrs. Shirley Schwendemann. Mrs. Toombs was designated as chairman of the Guild with the following as members: Mesdames Maydean Lloyd, Helen Stanford, Rena Ipoch, Georgia Reisinger, Evelyn Tolson, Carol Buford, Cora Lee, Yeager and Helen Crabtree.

FREDMAN BROS. Furniture

NIEDRINGHAUS AT DELMAR AVE. GRANITE CITY GL 2-5160

Dear Friends:

Something new has been added to Fredman Bros. We are enjoying the same kind of pleasure as a family with a new baby, a new car or a new sofa. In our case, we have just added a couple of fine gentlemen to our staff... Mr. Figus and Mr. Cutter whose knowledge of home furnishings is a tremendous asset to us and the customers we serve. It was inevitable for these talented men to join the biggest and best in Granite City. That's Fredman Bros., of course.

At Fredman Bros. they will be able to offer you lower than ever prices... in accordance with our exclusive \$1000.00 Savings Bond which guarantees that we will refund the difference plus 10% of the difference if you ever find a lower price. We are sure you won't, that's why we can make this statement in writing!

Mr. Figus and Mr. Cutter will celebrate this special "Staff-warming Party" by presenting a lovely, practical gift to all their new and old friends so we invite you to come in and say "hello."

We have filled our store with a beautiful selection of furniture (Burt and Dan helped pick many of them personally) just in time for your Fall decorating needs at especially low prices made possible by our 1-5 store buying power.

Finally, as a very special special, you get an extra 10% discount on EVERYTHING... nothing reserved. Savings on savings, but lots of fun, too, with coffee and cookies, your surprise gift and the smartest, best priced furniture you ever did see!

Whether you buy or not, please come and make this "party" for Burt and Dan a never-to-be-forgotten occasion. We are all looking forward to seeing you.

You're All Invited To FREDMAN BROS. Staff Warming Party!

We're inviting everyone to help us welcome Burt Figus and Dan Cutter, the two new men now at the big Fredman Bros. store in Granite City. We know they'll do their best to serve you and to make it a pleasure for you to shop and buy from Fredman Bros.

COME IN AND MEET THEM TODAY!

BURT FIGUS

Hi Folks:

I'd like to invite each of you to come in during the next few days so that I can personally greet you. I'll be glad to use my experience in the interior decorating field to help answer your decorating problems.

DAN CUTTER

Hi Friends:

I want to echo Burt's feelings and, also, to tell you that Fredman Bros. have set aside some very special buys just for Burt and me to offer to our customers to help us make sales and get started in Granite City.

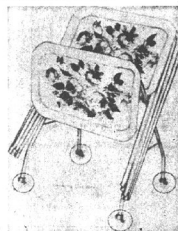

Looks like they're trying to make me feel my age when they bring in these youngsters. But, seriously, Dan and Burt are as nice a pair of gentlemen as you'll meet anywhere. They know the furniture business and will be able to help you solve your home furnishing problems. Come on in and say hello to them in that friendly good old Quad-City way.

RUTH FORD CIRCLE

ELECTS MRS. MAYBERRY

The Ruth Ford circle of Second Baptist Church conducted a regular meeting Tuesday evening at the home of Mrs. Lena Stephens, 2115 Illinois avenue.

Mrs. Ruby Mayberry, new president, was in charge.

The program, "Significance of the Woman's Missionary Emblem," was led by Mrs. Maxine Dacus, with Mesdames Stephens, Elsie Sturdivant, Naomi Rongey and Miss Pitchford participating. Mrs. Roxie Sadler offered prayer.

Officers elected besides Mrs. Mayberry were George Mitchell, vice-chairman; Mrs. Evelyn Smith, secretary; Mrs. Stephens, treasurer; Mrs. Pitchford, chorister; Mrs. Gusta Pendleton, publicity chairman; Mrs. Nellie Lupardus, mission study chairman; Mrs. Mavis Moore, community missions chairman; and Mrs. Dacus, program chairman.

Refreshments were served by the hostess. Officers present were Mesdames Aline Reagan, Aline Phillips, Dorothy Barnes and Myra Grote. Mrs. Edith Eberhart was a guest.

RAINS CELEBRATE 20TH ANNIVERSARY

Mr. and Mrs. Adrean Rains, 2210 Dewey avenue, celebrated their 25th wedding anniversary Tuesday night at the home of their son and daughter-in-law, Mr. and Mrs. Adrean Rains Jr., on Madison avenue.

Those attending were Mr. and Mrs. Oliver Rains and daughter, Norma Jean, Mr. and Mrs. Ross Smith, Dr. and Mrs. Val Geroff and John, Betty, Jimmy and Donnie Rains.

A decorated cake and coffee were served. Many gifts were received.

HOMEMAKERS MEET

The Homemakers class of the Second Baptist Church met Tuesday night for a monthly session. The devotional and prayer was given by Mrs. Esther Showers, teacher of the class.

A business session followed. New officers for the class are Jeannette Cross, president; Rosalie Portell, vice-president; Lenore Welty, secretary-treasurer; Frances Arthur, social chairman; and Ruby Johnson and Marjorie Brannan, group captains.

Refreshments were served by Mrs. Brannan, who was hostess for the evening. Those present included Mesdames Betty Lewis, Jeannette Scarborough and Gloria Burnett.

Dr. Kathleen Jones Primary, Sunbeams of Second Baptist Church gathered Tuesday afternoon for their first meeting of the month. Mrs. Betty Lewis, leader, was in charge and led a discussion of "Learning About Children of the World." Bible verses were repeated and the story of Southern Baptist missionaries in Africa was told by Mrs. Lewis. On display were pictures of Africa, maps and posters.

Welcomed to the group were many who were recently promoted. Closing prayer was offered by Allen Neerby and a game was played. Others present were Denise and Julie Whitson, Shannon Martin, Gary and Gail Lewis, Larry and Cathy Anderson, Beverly Bellman, Dennis Reynolds, Paula Tadlock, Bradley and Phillip Fitzhugh, Robin and Patti Schroeder, Theresa Gilliam, Brenda and Mike Holloway and Janet Allen.

World Friends of Second Baptist Church met Tuesday afternoon for their first fall meeting. Pictures of children in Africa and themselves were drawn and Bob Lewis told of Baptist Missionaries on that continent. The missionary workbook to be followed this year was explained. Those enrolled were Sandra Wimshish, Dean Olive, Robert McCord, Mike Reynolds, Danny

BUGG, Cordell Burnett, David Freeman, Teresa McDurphy, Stella Graham, Nancy Hawkins, Becky Smith and Frances Welty. Lewis and Frances Welty offered prayer and refreshments were served. Visitors were Mrs. Penrod, Shelley Ford and Gary Ellis.

FUNERAL OF FATHER

Harry McBride, father of Mrs. James Evans, 3040 Iowa street, passed away in St. Louis county, and the Evans family attended the funeral in St. Genevieve, Mo., on Monday.

GC Toastmasters Club Changes Meeting Time

The Granite City Toastmasters club met Wednesday at the Smorgasbord restaurant on Namecki road. Until further notice the club will meet there at 6:30 p.m. each Wednesday. The club previously met Monday.

Ray Uram was toastmaster and acting president. Charles Koutas was general evaluator. Charles Withers and Herman Mueller were critics.

Best speaker was Dr. Leo Coleman, who spoke on "School-day Memories." The other speaker was Earl Lee, who spoke on "Dearie, Do You Remember?" The "hone" award was given to Ray Uram and the "grunt" award to Edward Withers.

Plans were made to install the officers-elect at a ladies' night Wednesday, Oct. 17 at the Smorgasbord. Toastmaster of Roers are Earl Tucker, president; Herman Mueller, educational vice-president; Ray Uram, executive vice-president; Harry Fechte, secretary-treasurer; and Dr. Leo Coleman, sergeant-at-arms.

WEBSTER PTA PLANS SPOOK CARNIVAL

The executive board of the Webster school Parent-Teacher Association met Monday at the school with the president, Gerald Lutz, in charge. Plans were discussed and rooms were designated for different booths for the "spook carnival" to be held Oct. 12 at the school.

A noon mothers' meeting Tuesday at 7:30 p.m. will be held to complete plans for the carnival.

A committee of judges for the spook carnival posters was selected. The members are Gene Ahlasi, Mrs. Juanita Fett and Mrs. Pat Pool.

Plans were discussed for the regular PTA meeting on Monday. The program will be the Granite City Park District Flyers. The kindergarten mothers will serve refreshments.

Other members taking part besides the above mentioned were Mesdames Jeanette Morien, Martha Ekert, Betty Casheita, Ellen Tritschuh, Jo Ross, Helen Frazier and Helen Santagato. Principal Clyde Lee and Fred Fett.

PTA COMMITTEE MEETS

A ways and means committee meeting of the Wilson school PTA was held Tuesday at the home of Mrs. Doris Sanders on Birch avenue.

Plans were discussed for sale of Christmas cards, all-occasion cards and gift wrapping as the first project. Mrs. Jeri Hill, chairman, announced there will be door-to-door sales by the members. Taking part were Mrs. Hill, Mrs. Barbara Miller, Mrs. Sanders, Mrs. Beverly Singleton, Mrs. Jane Wyatt and Mrs. Virginia Ahrens.

GC Polling Place Changed For Nov. 6 Vote

Due to a last minute change
the polling place for Granite
City precinct No. 28 in the Nov.
6 general election had to be
deleted from the election notice

on page 38 of this issue. Polling
place will be the B. L. Bryan
residence, 2317 Wilson avenue.
Tuesday is the final day for
prospective voters to register
for the election, with Monday
the last day for registered vot-
ers to notify the county clerk of
address changes. Further infor-

mation on registration is given
on page 33.
Miss Eulalia Hotz, county
clerk, said this morning ballots
have been printed. Two vacan-
cies exist on the Republican side
of the ballot, as GOP candidates
for county superintendent of
schools and probate judge who

were nominated by write-in
votes in the April primary later
withdrew.
Miss Hotz said the Madison
County Republican Central Com-
mittee did not name candidates
for the positions before the
deadline for ballot printing.
Withdrawing candidates were E.

L. Alexander of Edwardsville for
school superintendent and Har-
ry Patton of Alton for probate
judge.

Sen. Everett Dirksen To Speak Here Oct. 13

Senator Everett M. Dirksen
will speak in Granite City Satur-
day, Oct. 13, local Republi-
can party leaders have announced

Location of the 1-3 p.m. appear-
ance is yet to be determined.
Sen. Dirksen, minority leader
in the Senate, is seeking re-elec-
tion. A local GOP committeeman
said his campaign activities have
been limited by his duties in the
long Congressional session.

SHOWER HONORS

MRS. HINTERZER
A cradle shower honoring Mrs. Judy Hinterzer was given Sunday afternoon at the Hungarian Home, 1800 Spruce street, by her mother-in-law, Mrs. Jacob Hinterzer, and her aunts, Mrs. John Uzanoff, Mrs. Josephine Kanzevic and Mrs. Mike Andria.

A large stork surrounded by many small storks served to decorate the gift table, while streamers of appropriate pink and blue were used throughout the room. The favors also were little storks made from large safety pins and colored toothpicks and placed in jellied candies on small lace paper doilies. Even the napkins carried out

the cradle theme, as they were cut to look like small kimonos. Games were played and prizes were awarded, after which a buffet supper was served to the 63 ladies present.

LADIES' AID TOLD OF MEMBERS TRAVELS

The first fall meeting of the Macedonian Ladies' Aid Society was held Tuesday afternoon at the Holy Trinity Bulgarian Eastern Orthodox Church, 1300 Grand avenue.

Mrs. Mike Andria, vice-president, who resides at 1747 Olive street, opened the meeting with a prayer in memory of a recently deceased member of the society, Mrs. Dimana Gitchoff, and two others, Dr. George Gitchoff and Nick Tovin, relatives of members also recently deceased.

A report was given by Mrs. John Tarpoft, after which the business session took place. The

society voted to donate to the United Fund.

Mrs. Nevenka Kacieleff gave a report of her recent tour of some of the Turkish and Rumanian churches in Washington, D.C., and Cleveland and Akron, Ohio.

Mrs. Naum Evangeloff reported highlights of her trip abroad, including information of particular interest to the society about the countries of Macedonia, Bulgaria and Greece.

Mrs. Evangeloff then presented to the society a box of candy to symbolize her safe return home.

Refreshments were served to the 20 members present by the hosts, Mrs. Andria.

The next meeting will be held on Nov. 6, when a film of United Fund work will be shown.

The Lincoln Place Mission

MORE ABOUT \$5250 For Roadway

(Continued from Page 1)

could be done.

The next report by Street and Alley Committee Chairman Schmittou was rejection of Partney's request for 250 feet of sidewalk near the old Logan school building along West 25th street between Logan street and Missouri avenue.

Schmittou said there were several other schools without sidewalks and the city had no funds to do the work at all of them.

When Partney objected, pointing out the sidewalk cost would be \$420 and the city just agreed to pay \$5250 for a 35-foot tract for a street, he called for a vote on the expenditure for the sidewalk.

The motion lost by one vote.

Opposed to the expenditure were Aldermen Norn, LeMaster, Schmittou, Skubish, Basarich, Shuckard, Barszjak and Cullen. Voting for the sidewalk

were Aldermen Meyer, Partney, Rutledge, Whitmer, Mrs. Rutledge, Vesel and Johnson.

Partney said the children from old Logan school go to the new Logan building several blocks away for special classes and lunch. For them an electric school signal light was installed at a cost of \$5000 at West 25th street and Missouri avenue.

Walk In Mud, Water

"They have to walk in mud and wade through water to get to the protected crossing," Partney said.

He added that he has not used his \$80 monthly expense allowance and would earmark it for the sidewalk construction.

Other aldermen said he could spend it for whatever he wished. Basarich told Partney the condition had existed at the school for at least three years and he wondered why no request had been made earlier. Partney reminded him the electric traffic

light had been placed in operation only last month.

In other action council members referred to the city attorney a circuit court summons involving a \$75,000 personal injury suit filed by John Duggan, who was hurt in a fall Sept. 26, 1961, on Edison avenue at the sidewalk-curb near the main entrance to the YMCA.

Permission was granted for the closing of Niedringhaus avenue between Delmar and Edison avenues from 6 to 7 p.m. Friday, Oct. 12, when the area United Fund rally will be staged in front of the post office. The request was submitted by UF Campaign Chairman John McBride.

In the absence of Mayor Davila, the council elected Alderman LeMaster to preside.

Housing Directors To Take Part In Workshop

Reservations for an annual workshop in Chicago Oct. 17-19 were authorized at a monthly meeting of the Granite City Housing Authority board Tuesday night. It was not determined which directors will be able to attend.

The Chicago session is being sponsored by the National Association of Housing Authorities, David W. Morgan, executive director of the local authority, reported.

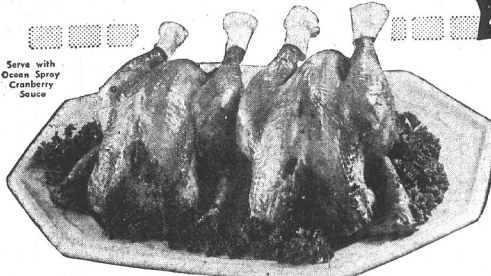

Proposed re-certification of the authority's workable program was discussed and Morgan reported progress on the Anchorage project, a 100-apartment development for the elderly scheduled for completion in late spring.

NEIGHBORHOOD LEADERS

PLAN FOR NEW SEASON
Girl Scout leaders in North-
borough Ford held a monthly
meeting Monday night at St.
John's Lutheran church. Mrs.
Doris Votaw, chairman, called
the meeting to order and con-
ducted a short business meeting.
She welcomed new leaders, who
have just recently completed
their training.

Mrs. Votaw announced that
on Oct. 3 and 4 a workshop on
Program Change in Scouting
will be conducted in Federal A.
second-class badge workshop is
to be held on Oct. 15 at St.
John United Church of Christ,
and a regional dinner for lead-
ers will be held on Oct. 30 at
the American Legion Home in
Venice at 6:30 p.m. A course in
arts and crafts will be held at
St. John's Lutheran church, Nov.
from 9:30 a.m. to 2:30 p.m.

The leaders held a discussion
on their Christmas party to be
held at the regular meeting on
Dec. 3 at St. John's Lutheran
church. Committee members
were named as follows: Froh-
ard school leaders, food; Wilson
school leaders, decorations; Stal-
lings, Lake, Coolidge and Cen-
tral schools, entertainment.

Refreshments were served fol-
lowing the meeting by Mrs.
Joan Pfeiffer and Carol McKin-
ney. The next regular meeting
will be on Nov. 5 at St. John's
Lutheran church.

SENIOR GIRL SCOUTS STUDY DRESS, CONDUCT

Senior Girl Scout Troop 224
held a regular meeting Tuesday
night at the Ponton Presby-
terian Church, with Mrs. Stea-
gle, leader, conducting the meet-
ing.

Janet Line gave a report on
rules of dress and conduct. She
told of finer points of being well

dressed and neat appearing with
current styles. She urged the
scouts to conduct themselves at
all times to be a credit to them-
selves, the community and their
troop.

Refreshments were served
following the meeting by the
hostesses for the evening, Bar-
bara Barton and Marilyn Bon-
dard. Other scouts attending
were Lauren Steagle, Nancy
Benson, Jo Ann Ellberg, Debbie
Slay, Charlotte Weiss, Ann Rut-
ledge and a new member, Judy
Strain, and one guest, Merle
Willis.

The next regular meeting will
be held Oct. 16 at the church.

PRESBYTERIAN WOMEN EXECUTIVE BOARD MEET

The Nameoki Presbyterian
Women held an executive board
meeting Tuesday night at the
Nameoki Presbyterian church.

Mrs. Alta Stewart, presi-
dent, conducting the meeting.
Mrs. Ann Freeling, spiritual di-
rector, led the group in prayer.
The program director, Mrs.
Bea Pyle, announced that the
second part of the lesson, "Pur-
pose of Predestination," will be
given at the regular meeting in
October.

TROOP MOTHERS AUXILIARY FORMED

Boy Scout Troop 15, sponsored
by Eagles Aerie 1128, formed a
Troop Mothers Auxiliary Tues-
day. The initial meeting was held
at the home of Southmaster
Charles Rodell. Rodell opened
the meeting by reviewing the
objectives and operations of the
troop, and also discussed the pur-
pose of the troop auxiliary.

Preceding the discussion, the
following officers were elected:
chairman, Mrs. James Shane;
vice-chairman, Mrs. Joseph Bin-
son; secretary, Mrs. James Vor-
then; and treasurer, Mrs. George
Glicka. Chairmen were chosen for
the following committees: Mrs.

Alexander Tarpoft, visitation;
Mrs. Alan Skirball, dues, ex-
ecution and Mrs. D. C. Nagy, ex-
ecution.

Other mothers in attendance
were Mesdames Noel Bailey,
Richard Duff, John Haynes, El-
mer Lippold, William McGee,
Earl McMillan, Robert Moore,
Aubrey Rohlfing, Charles Rodell,
Ralph Schmid, Walter Stawar,
John Tarpoft, Ralph White and
Richard York.

Tentative plans were made to
hold a fish fry Oct. 26 at the
Eagles hall. The next regular
meeting will be held at the home
of Mrs. James Shane Nov. 12 at
7 p.m.

Refreshments were served by
the host and hostess.

Mrs. Louise Anderson, world service chairman, informed the group that its help will be need- ed in cutting more cancer hand- bags. There was a discussion on projects the association will be responsible for on World Com- munity Day Nov. 2.

Mrs. Edith Simpson, fellow-
ship chairman, gave a report on
a meeting of the Quad-City
Council of Church Women.

The chairman of the nominat-
ing committee, Mrs. Erma Tay-
lor, presented the board with a
state of candidates for officers
of the coming year, to be elected
at the next regular meeting Oct.
8.

There will be a special board
meeting next Monday at 7 p.m.
to accept the budget for the
year. The regular meeting will
follow at 7:30 p.m. Mrs. Bea
Pyle closed the meeting with
prayer.

GIRL SCOUT TROOP 157 MEETS NEW LEADERS

Girl Scout Troop 157 met
Monday afternoon at Froh-
ard school, with Mrs. Virginia Wolfe
introducing two new leaders, Mrs.
Katherine Bailey and Mrs. La-
Verne Mucha.

Plans were made to begin
work on the first-class badge,
and trips of interest to be tak-

en during the year were dis-
cussed. Those present were Mes-
dames Sharon Mucha, Sue Ho-
gan, Cindy Wolfe, Betty Miller,
Joyce Bortner, Vickie Mercer,
Valerie Crain, Debbie Breeze
and Terrie Vahle.

NAMOEKI METHODIST WOMEN'S SOCIETY MEETS

The Women's Society of the
Namoeiki Methodist Church held its
monthly meeting at the church
Monday evening.

The meeting was opened with
prayer and song singing led
by Mrs. Pat Baumberger.

Mrs. William Kirchner was in
charge of the program for the
evening, entitled "United Na-
tions Family," and was assisted
by Mrs. Jane Ellman, Mrs. Betty
Weston, Mrs. Ena Potter and
Mrs. Vivian Gluke.

The business meeting was
conducted by the president, Miss
Morena Groshong, with the fol-
lowing reports: Mrs. Ena Potter
made the Lydia Day Circle has
changed the day of its meeting
from Tuesday to Wednesday.

Third Tuesday the Women's So-
ciety will have a Wesley Mem-
orial service at 7:30 p.m. on
Nov. 4, at the church. The week
of Oct. 29-31 is to be set aside
for the observance of the World
in which the society will partici-
pate.

A study course will be con-
ducted at the church at the
next four Sunday evening ser-
vices on the book entitled "The
World of the Future." There will
be a potluck dinner at the church
on Oct. 7 at 6 p.m. A service
congregation is invited to at-
tend.

The meeting was brought to
a close with prayer by Mrs.
Mary Bailey.

Refreshments were served by
the hostesses, Mrs. Ena Potter
and Mrs. Lucille Russell, to the
following members: Mesdames
Katherine Bailey and Mrs. La-
Verne Mucha, Mrs. Ena Potter,

JUNIOR MAECENAS MONTHLY MEETING

Mrs. Nadine Brumley was
hostess to the Junior Maecenas
Society Tuesday evening, in her
home, 3141 Aubrey avenue.
Mrs. Brumley presided, con-
ducted the business meeting and
announced that sale of Hallow-
een costumes has been complet-

ed, with the proceeds going to
brain research.

Other events to be held in the
future will include, on Oct. 11,
the fall meeting of the 22nd dis-
trict at St. John United Church
of Christ on Nameoki road.

The Federation Conference in
the Southern Region will be held
in Herrin, Ill., on Oct. 26.
Guest speaker for the evening
was William McGee, who spoke
on fluoride in the water system
for the community.

Refreshments were served fol-
lowing the meeting to Mesdames

Brackett, Cy Corcoran, Catherine
DeWitt, Doradene Manuel, Shir-
ley Thompson, Doris Pekarik,
Marylin Peterson, and Mrs.
June Drew, Jean Kelahan, Jean
Knox, Mary Lee Lorton, Delores
Yates and Vera Sager.

Mrs. Thompson invited the
club to meet in her home, 3805
Wabash avenue, for the next
regular meeting on Nov. 6.

School Administrators Attend State Meetings

Schools and
programs to aid gifted children
were among the topics at annual
statewide meetings in Cham-
paign Monday night through
yesterday attended by Granite
City School Supt. Harold C.
Cauld and High School Principal
Lawrence C. McCauley.

The meetings were sponsored
by the North Central Association
for Colleges and Secondary
Schools, Illinois High School As-
sociation and Junior High Prin-
ciples Association. Dr. Kaiser is
a member of the state commis-
sion which plans to present re-
commendations on education of
the gifted at the next Illinois
legislative session.

Principals Arthur Menendez
of Lake school and Harold
Briggs of Mitchell school, Ed-
ward of Emerson school and Ed-
ward of Blomack of Stallings school
attending one day's sessions
each of an annual Elementary
Principals Association meeting
being held in Champaign today
and tomorrow.

School Of Missions At Nameoki Methodist

A school of missions for
those who attend the Nameoki
Methodist Church will be con-
ducted on the four Sunday
evenings in October under the
sponsorship of the Commission,
whose chairman is Mrs. Ruth
Hancock. Rev. Frank Pierce is
pastor.

The school will begin with a
pot luck supper at 6 p.m. Sun-
day at the church. The study
will follow the theme, "The
Arm of Compassion," dealing
with aid to the handicapped. In-
itial speaker will be a representa-
tive of the Goodwill Industries.

Plan State Meeting Of Teacher Associations

Plans for attendance at a
state Representative Assembly
in Chicago late this year were
made Tuesday night at the coun-
ty courthouse during a meeting
of the Madison County Teachers'
Association. It was decided to
have one delegate and alternate
from each local teachers' as-
sociation in the county.

The associations also will be
represented at the Margaret
delegate assembly at Mulberry
Grove Saturday. Next meeting
of the county group will be Nov.
20 at the courthouse.

Harding Ditch Barge Canal Being Proposed

A joint meeting for trustees
of the East Side Levee District
and representatives of the U.S.
District Corps of Engineers and
the Southwest Port District con-
cerning the development of the
Harding ditch as a barge canal
and the adjoining shoreline for
industrial purposes was sched-
uled during last night's board
meeting in East St. Louis.

"With the exception of a few
bridges across the canal, you
can meet all the criteria for de-
velopment of the area right
now," David Johnston of the
consulting engineer firm of
Johnston & Associates, told the
levee board members.

Johnston was commissioned by
the levee board to conduct a
study of the ditch, which runs
from the Mississippi river east
to Grand Marais state park, as
to the possibilities of its devel-
opment as an industrial water-
way.

Would Widen Ditch

He displayed aerial photos of
the area, with overlays of a pro-
posed barge canal which would
necessitate widening of the ditch
at several points.

Johnston showed a canal
7.5 miles in length which could
handle barge traffic, and a 1.5-
mile extension to the state park
lake which would serve as a
waterway for smaller, privately-
operated pleasure boats.

Board members accepted his
preliminary surveys, but said
any further action would come
at a joint meeting of the agen-
cies involved. Board President
Lawrence Tolar is to invite dis-
trict engineers and members of
the port authority to such a
meeting.

Trustees approved a payroll
for the first 15 days of Septem-
ber totaling \$22,750. They also
an agreement to the Phillips
Petroleum Co. for an eight-inch
pipeline crossing on levee dis-
trict property near the Missis-
sippi river, pending written ap-
proval from the Corps of Engi-
neers.

Board members made no men-
tion of the recent unsuccessful
\$10 million sewer bond election
in Granite City during their regu-
lar meeting.

The district had included
Granite City in its overall pol-
lution abatement plan, and is

Garden Study Club Meets, Dedicates Plaque At Park

The Garden Study Club was
entertained Wednesday in the
home of the president, Mrs. H.
T. Lewis, 2639 Edison avenue.
A dessert course was served to
14 members and two guests.
Mrs. Joseph Rill of this city,
and Mrs. Alice Rabach of New
Orleans, a house guest of Mrs.
W. G. Cooley. The business
meeting was under the direction
of Mrs. Lewis and a program
followed.

Mrs. John Lehman was pre-
sented with a green ribbon. The
sweepstakes winner in the hort-

culture division of the spring
flower show, she was required
to win five blue ribbons in order
to qualify.

Mrs. Rollo Grewell had a pa-
per on "Fall Plantings" and after
the program the group adjourned
to Wilson Park where a ded-
ication ceremony was held and
a plaque was presented in hon-
or of the 15th anniversary of the
club's organization. Mrs. Robert
Brandmark was in charge of the
dedication.

The club will meet again in
November at the home of Mrs.
Lehman, 2639 Edison avenue.

Sidelights Of Election

Granite City could be following in the footsteps of Peoria, where the state Sanitary Water Board ordered further sewage treatment. A \$200,000 bond issue will be used mainly for separating storm water and sanitary sewage.

That statement was made yesterday by Clarence W. Klassen, Illinois Department of Public Health, after he learned the results of Tuesday's election in which the \$100,000 drainage-pollution abatement program was defeated.

He pointed out it was not the state Sanitary Water Board that issued the separation order to Peoria, a city that already has a sewage treatment plant, but the bond issue attorneys insisting that the storm water be separated from sanitary sewage. This was done to guarantee compliance with the pollution abatement order for Big Run and Kickapoo creeks.

"Peoria had the problem," Klassen explained. "It's combined storm water and sanitary sewer system couldn't carry off the water in a light rain."

"Catch basins and manholes would back up into the streets," he said. "The \$200,000 is to go to separate storm water from sanitary sewage, just as had been planned for Granite City," Klassen said.

Tuesday's election brought the following comments from Madison Mayor Stephen Meeras during a council session Tuesday evening.

Lloyd D. Schermer Takes Newspaper Post In Mont.

Lloyd D. Schermer, son of Mr. and Mrs. Marnie Schermer of St. Louis and formerly of Granite City, has been named publisher of "The Missoulian" and the "Missoula Sentinel" at Missoula, Mont.

The appointment was announced by R. E. Morrison, general manager of the Lee Newspapers of Montana, of which the Missoula publications are a part. Schermer, a graduate of Amherst College with a master's degree from Harvard University, formerly was associated with newspapers at Davenport, Ia., and Kewanee.

wait until they become 21 years of age to vote.

A large number of spoiled ballots was reported by election judges, who said voters placed X's under the words "yes" or "no" or wrote in yes or no.

City Clerk A. L. Stevens said there was no differential made by election judges in ballots that had been improperly marked or those that had been printed imperfectly. The total number of ballots returned as spoiled or imperfect was 730.

"Vote Yes" signs that appeared in over 300 yards throughout the city were picked up by a crew dispatched at 6 p.m. Tuesday by B. C. "Tip" O'Neill, who was in charge of the distribution.

"We began as soon as the polls closed," knowing people didn't want the signs to remain in their yards or scattered about.

Teen Girls' Car Safety Declining, Group Told

Traffic accidents attributed to teenage girls are increasing rapidly, indicating that extra insurance costs—already applied to teenage boys—may be necessary.

This was a warning issued during a driver education workshop attended at Granite City high school Tuesday by 31 school driving instructors from Madison, Bond, Clinton and St. Clair counties.

At present, a family's insurance rates do not increase when a daughter reaches driving age and begins using the family auto, it was noted. This has been true because girls generally established good safety records, but the picture is changing, casualty insurance firm and Automobile Club representatives told the gathering.

Other speakers included Assistant County Supt. Raymond Drach and Virgil Davis, representing the state superintendent's office, who said annual reimbursements to school districts have grown from \$600,000 to more than \$2,000,000 during the past four years.

Panelists discussing individual school driver education programs were Ben Josthardt of Edwardsville, Melvin Paul of Collinsville, Allen Perry of Alton and Fred Schaff of Wood River. Joseph Fedora of Granite City high school was chairman of the workshop.

Gasoline Washed Away

Granite City firemen were called at 6:35 p.m. Tuesday to wash gasoline from the alley at 21st and Iowa streets. It had leaked from a tractor trailer belonging to Ross Truck Lines, Mitchell.

Laundry Taken

A basketful of clean laundry was stolen sometime last night from the auto of Donald Walton, parked at his home at 2432 Benton street. The basket contained shirts, trousers, sheets and towels he had just laundered, he told Granite City police.

Meet On Child Care, Mothers' Job Training

A plan intended to reduce costs of the Illinois Aid to Dependent Children program in Madison county will be outlined at a meeting tonight by Marion T. Randall, ADC assistant county superintendent.

The gathering, to be held at Randall's office in Edwardsville, will be attended by representatives of employers, school districts, Illinois State Employment Service offices and ADC staffs.

It is proposed to establish daytime child care centers at federal housing projects and to provide training to aid mothers in obtaining jobs.

Auto on Madison Ave. Hits City Sewer Machine

Barricades and oil flares were placed around the city's damaged sewer cleaning machine Monday night after it had been struck by a northbound Madison avenue at 28th street.

The machine, with five blinker lights had been left in the middle of the street at a manhole and was knocked several feet by the impact. A wheel whiffed off. The auto of Richard Kallay, 20, of 940 Greenwood street, Madison, also was badly damaged, police said.

No estimates of the damage to the sewer machine or auto were available.

Kallay was charged with operating a motor vehicle without a driver's license and destruction of property. He was fined \$10 and costs on the driver's license charge, and the destruction count was taken under advisement by Police Magistrate Gasparovic.

The mishap occurred about 7:30 p.m. during a misty rainfall.

NFO Reports On Meant Holding Action Recess

The National Farmers' Organization of Madison county met Tuesday night at the Godfrey civic center to hear a report on the withdrawal of holding action on livestock.

"The national UFO board of directors called a temporary recess in meat holding action to give those who need it an opportunity to sell some of their livestock. It was stated in the report that all holding action can be re-instituted in short notice.

The length of the recess will be determined by market conditions including price and reports from county UFO units. It was announced. Farmers were urged to store all the corn and soy beans possible.

Another meeting to explain the holding action is set for 8 p.m. Monday, Oct. 8, at the Bohm building in Edwardsville.

Fined In Venice For Home Burning Attempt

Charles Mitchell, 23, of Eagle Acres was fined \$100 plus \$20 costs by Venice police magistrate Wesley Edwards last night on charges arising from an incident early Sunday. He allegedly broke a window and attempted to set fire to a Venice woman's home.

Mitchell pleaded not guilty to charges of disorderly conduct and destruction of property. He was fined \$75 plus \$10 costs on the first charge and \$85 plus \$10 costs on the second. He was released to the sheriff's office last night to be confined to the county jail for non-payment.

Overhead Stove

Madison firemen were called to the George Hayden residence, 3700 Collinsville avenue, at 4:15 p.m. yesterday. No damage was reported. Firemen said the blaze was caused by an overheated oil stove.

Granite City PRESS-RECORD Page 22 Thurs., Oct. 4, 1962

Senate Approves Funds To Plan Work At Locks

An initial appropriation of \$50,000 to begin planning of a project to raise the west wall of the auxiliary lock in the Chain-of-Rocks Canal to the level of the main lock wall has been approved by the Senate Appropriations Committee.

A spokesman for the Corps of Engineers said the work will be done during the 1963 fiscal year, with bids probably to be called for next May or June. The project is expected to cost about \$1,618,000.

Main purpose of the move is to permit use of the auxiliary lock at all river stages, the spokesman said. At present, it is usable only at low river stage. He said need for the work will be even greater now that the rock dam near the Chain-of-Rocks Bridge will maintain a higher river level.

The planning appropriation was approved by the committee for flood control projects in Madison and St. Clair counties.

Briggs Infant Dies Suddenly; 3 1/2 Months

Carla Briggs, 3 1/2-month-old daughter of Mr. and Mrs. Richard A. Briggs Jr. of Rural Route One, Granite City, was dead on arrival at St. Elizabeth Hospital at 9:20 a.m. Tuesday.

The family said she had been under medical care for a respiratory disorder two weeks earlier, but seemed fully recovered. She had played with her father before he left for work at 8 a.m. and appeared to be in good health at the time. The mother found her unconscious an hour later.

Deputy Coroner Henry Pieper, who conducted a coroner's inquiry, said death was attributed to natural causes, probably a recurrence of the respiratory ailment.

Mrs. Briggs is the former Miss Barbara Bischoff of Granite City. The child's father is an employee of the Granite City Steel Co. They have a son, Richard, and a daughter, Carla.

Other survivors include the maternal grandparents, Mr. and Mrs. Uell Bischoff, and the paternal grandparents, Mr. and Mrs. Richard A. Briggs Jr., all of Granite City.

Funeral services were conducted this morning at a local funeral home, with interment in Calvary Cemetery near Edwardsville.

3-Week Illness Fatal To Mrs. Mattie Bolt

Mrs. Mattie E. (Bolton) Burk, 81, of 1228 Edwardsville road, died at 2:15 p.m. yesterday at St. Elizabeth Hospital. Ill three weeks, she had been hospitalized during that time.

A 38-year resident of Granite City, Mrs. Burk was born in Kentucky. Her husband, George (Glenn) Lehnert, of Bunker Hill, Mrs. Earl (Golda) Krut of Edwardsville, Mrs. Ernest (Hilda) Harris of Paducah, Ky., and Mrs. Lester (Mildred) Coash of Spanaway, Wash., are her brothers. Benjamin Williams of Granite City; 27 grandchildren and 47 great-grandchildren are given in the obituary column.

No Action Is Planned On Bigamy Allegation

No action is planned here against a St. Louis man accused Tuesday by his wife of being a bigamist. He allegedly was married in Granite City in April 1961 without benefit of a divorce from another wife, State's Atty. Dick H. Mudge said this week he had been called by St. Louis police and asked if the man was wanted here.

He had not heard of the man. All parties involved are St. Louis, he said, and if the man did marry two women, prosecution here would require extradition and the cooperation of both wives. The first wife is not cooperating with St. Louis police, he said, and no prosecution is planned there because the second marriage took place in Illinois. No complaint has been lodged in Illinois.

The circuit attorney's office in St. Louis refused to issue a bigamy warrant there after a Thomas Tidwell, 24, of East Alton, a former resident of Granite City, died at 4:30 a.m. today at an Alton hospital. He had been a patient there three years.

Born at McEwen, Tenn., Mr. Tidwell lived in Granite City 30 years before moving to East Alton. His address there was 135 Lakeside avenue.

Survivors include two brothers, Carl and Teddy Tidwell of Granite City; four sisters, Mrs. June Clymer of Granite City, Mrs. Joyce Staggs of Wood River, Mrs. Ruth Staggs of East Alton, and Mrs. Brenda Anderson of Rockford; and his mother, Mrs. Eunice Conzett of East Alton.

Funeral arrangements are given in the obituary column.

Open Verdict In Schoolfield Death

An open verdict was returned Tuesday night by a coroner's jury conducting an inquest into the Sept. 27 death of Mrs. Wilma Schoolfield, 24, of 4905 Kirkpatrick homes.

The jury ruled Mrs. Schoolfield died of an overdose of barbiturates. It did not determine whether the death was accidental or suicide, according to Deputy Coroner Henry Pieper who conducted the inquest.

The woman's father, Croo Lindsay of 2822 Lee avenue, testified at the inquest, along with Mrs. Lena Turner, 2905 Kirkpatrick homes. Mrs. Turner, who kept the two small Schoolfield children while their mother was at work, found the body.

Touch Grid Teams Enter 4th Week

Park district touch football teams enter their fourth week of play Saturday morning, with eight games scheduled in the three divisions.

In 3rd-4th grade league play the Warriors and Steelers will meet at 10 a.m. and the Rams and Tigers at 10:30.

The Mustangs oppose the Jets at 9 a.m., the Bears meet the Rams at 9:45 and the Eagles square off against the Falcons at 10:30 in 5th-6th grade league contests.

The 7th grade league schedule has Brown meeting the Twilight Optimists at 11:15 a.m., Eagle-Lion game at 1:15 p.m., and the Eagles square back against the Browns at 2 p.m.

Mayor Continuing To Improve At Hospital

Mayor Leonard F. Davis still is not permitted visitors but is continuing to improve at the Jewish Hospital, St. Louis, where he underwent major surgery Sept. 26.

It has not been determined how soon he will be able to return home.

Citizens Chairman Expresses His Views On Vote

G. W. Hoelscher, chairman of the Citizens Sewage and Drainage Committee, issued the following statement yesterday concerning Tuesday's special election:

"May I take this opportunity to express my appreciation to the 2475 voters who by their vote for the bond issue approved

the program recommended by the Citizens' Committee.

"Unfortunately, they (as well as those who voted against the proposal) will be burdened in the future by the additional cost of a larger treatment plant and a greater annual operating expense. Separation of sanitary sewage and storm water will not now be accomplished.

"Only the resubmission of this proposal and its subsequent approval can save the taxpayers of this costly operation.

"Three Years Service

"May I also express by appreciation to the members of the Citizens' Committee who during the past three years have spent of their time and money and given their talents to the work of this committee for the city.

"To the many volunteers who assisted the committee during the bond referendum campaign, we give our hearty thanks. We thank C. H. Sheppard and Edw. Juncua of Sheppard, Morgan & Schwaab for their engineering assistance.

"The committee also thanks the Press-Record for its excellent, complete coverage of the program during the entire three years that the committee functioned. It was especially helpful during the past several weeks in connection with the bond issue campaign.

"In rendering this service, the Press-Record gave everyone in the community an opportunity to become completely informed. This was a real community service."

A resolution calling on the city council to build a sewer treatment plant immediately was adopted by the Granite City Junior Chamber of Commerce last night.

The recommendation to the council asks that the city "immediately call for bids for construction of a treatment plant of sufficient size for the present city sewer system."

Payment for such a project could be made from general obligation bonds, the Jaycees resolution said. It concluded this would be "the initial step in answering the city's sewerage problem."

Alvin T. Barnes III, Jaycees president, said the resolution will be presented to the city council at its next meeting. Prior to that, he said, all aldermen will be contacted by individual Jaycees and asked to support the proposition.

The resolution was introduced at the Jaycees meeting by Paul Morris, chairman of the group's Community Development committee. Morris said it represented the work of the entire

Three Programs Set For Concert Season

The Tri-City Community Concert association begins its season committee.

Plans were announced at the meeting for a pancake brunch to be held Nov. 4. Proceeds will go into a fund to help secure a resident physician for St. Elizabeth Hospital.

A bowling sweepstakes to be held in the near future also was announced. The proceeds are to be used for an art scholarship for a local high school student.

Local Studebaker Dealer Displays New Line Today

Studebaker's 1963 models went on display today at Elledge Motor Co., 19th street and Grand avenue. Included are the Lark, Hawk and Cruiser lines. The most revolutionary styling change in station wagons since the dropping of wood panel bodies appears in the Wagonaire. It features a sliding metal roof panel that telescopes forward from the rear almost to the centerline. The feature is standard on all Studebaker station wagons for 1963 and provides greater visibility as well as increased versatility of station wagon use. The Wagonaire has new body styling with increased dimensions and new side glass configuration. A foldaway tailgate ladder is offered as optional equipment.

The 1963 Studebakers come in 11 models, available either with

the six-cylinder Skybolt engine or four choices in the V-8 powerplant. Standard on all models is the combination beauty vanity and glove compartment. All models have as an option the Avant Jet-Thrust engine, either in the supercharged or non-supercharged version. Caliper disc brakes also are optional.

Lark models for 1963 include the two-door sedan, four-door sedan and the four-door Wagonaire. The Lark Daytona series features a two-door hardtop, two-door convertible and a four-door Wagonaire. A two-door sedan and four-door sedan are available in the Custom series. The luxury-styled four-door Cruiser sedan is a separate line for 1963.

The Hawk has a newly designed radiator grille mesh, two new grille panels and ornamental emblems.

Court Cites GC Man In Alleged Strike Action

Clarence L. Butler, 1721 Moor avenue, was ordered to appear in court this afternoon to show cause why he should not be held in contempt for alleged violation Sept. 27 of a court injunction regulating picketing at the Shell Oil Co. refinery at Roxana.

Butler was served with a citation signed by Circuit Judge Harold E. Clark. Judge Clark signed the citation on petition of Shell attorneys, who charge Butler prevented a supervisor from leaving the plant by standing in front of his auto.

The oil company's attorneys said the action was in violation of an earlier court order prohibiting strikers from blocking movement of traffic in and out of the refinery.

The petition charges that Butler placed himself in front of the auto of a supervisory employee, Thomas C. Graham, delaying Graham for 17 minutes. Butler and three other strikers are alleged to have attempted to overturn Graham's vehicle, pushed and stepped on him and scratched his auto.

The court injunction, issued Aug. 20, prohibited mass picketing at the plant as well as interference with plant traffic. This

Arrested On Two Charges

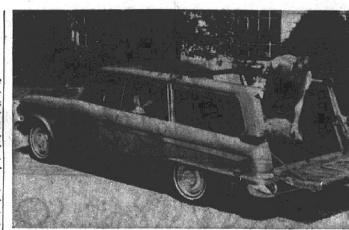

Arrested at the 316 Club tavern, 316 Main street, at 1:30 p.m. Monday, Richard J. Rokita, 23, of 808 Grand avenue was charged by Venice police with disorderly conduct and resisting arrest. He was released on \$40 bond to appear for a hearing Saturday.

Hit-and-Run Accident

A hit-and-run driver damaged the left front of an auto driven by Mitchell G. Miner, 21, of 1515 Lindell blvd., at 3:15 p.m. Monday. The accident happened at Madison avenue and 16th street. The left door of Miner's auto was damaged.

Accident On Passing

Autos of Vera Whyler, 30, of 586 Margaret street, and Robert L. Wofford, 30, of 2400 Illinois avenue, were involved in a traffic accident at 5:55 p.m. Monday in the 5200 block of Wayne. Police said the woman was attempting to pass Wofford's auto as he started to turn left.

STUDEBAKER WAGONAIRE — The new four-door Wagonaire features a sliding metal roof panel. Foldaway tailgate ladder and electrically operated rear glass are optional.

Pvt. Marion Gray Completes Army Engineer Course

Army Pvt. Marion E. Gray, son of Mr. and Mrs. Marion A. Gray, 122 Granville street, Venice, has completed the 12-week engineer equipment mechanic course at The Engineer School, Fort Belvoir, Va.

Gray entered the Army last March and completed basic training at Fort Leonard Wood, Mo.

The 23-year-old soldier is a 1957 graduate of Venice high school. He was employed in St. Louis before entering the Army.

Pfc. Ronald Miller Promoted In Germany

Donald E. Miller, 24, whose wife, Claudine, lives at 1423 Twenty-second street, recently was promoted to private first class in Germany, where he is a member of the 51st Infantry. Miller, a driver in the infantry's Headquarters Company in Mannheim, entered the Army in December 1961, completed basic training at Fort Chaffee, Ark., and arrived overseas last June. He attended Stewart county high school, Dover, Tenn. His parents, Mr. and Mrs. John G. Miller, live on Route One, Tennessee Ridge, Tenn.

Land Swap Under Study For New Fire Station

Further study is to be given by the city on location of a new West Granite fire house on the Triangle Park playground in view of a request by the park district commissioners.

Alderman Ford Johnson, chairman of the city's Fire and Water committee, said the park board would like to exchange the tract needed by the city on its property for other property owned by the city.

Johnson said he was not aware of any city-owned tract that might be suitable, but that the matter would be given further study.

When questioned by Alderwoman Mrs. Gabrielle Bethe on availability of funds for such construction, estimated at \$40,000 to \$50,000, Johnson replied the work would not be started during the present fiscal year, but that groundwork was being completed.

"We've got a lot of work to be done before construction can be started," he said.

Bids Being Accepted To Remodel City Office

The office of Granite City Chief of Police Raymond J. Willardt will soon take on a new look. Sealed bids to remodel the office will be taken until 2 p.m. Oct. 11 at the office of architect Virgil H. Dulgert, 2021 Edison avenue.

The chief's office will be enlarged to include the space now occupied by Deputy Sheriff Tony Petrillo. An alternate bid will be taken to remodel the adjoining waiting room.

The improvement, estimated to cost \$50,000, will include wall paneling, acoustical ceiling, carpeting on the floor, new electrical fixtures, air conditioning, and convectors in place of the present radiators.

UN Program For Trio Unit

The Trio Unit of the Madison County Homemakers Extension met Tuesday in the home of Mrs. Lawrence Markham on Rural Route One.

A dessert was served at 1 o'clock and in observance of "United Nations Month" the lesson was on "Hunger and plenty around the World".

It was given by Mrs. Ervin Schaefer and Mrs. Robert Brue, who discussed the function of several international intergovernment agencies concerned with nutritional problems; to help countries achieve a vigorous economy among peoples and the need to be motivated to develop their own resources and productive capacities and education needed for the technical, social and economic development which contribute to a better life for all people.

The selected subject given by Mrs. Gerald Lux was "Recreation For Children on Rainy Days". It was illustrated with a number of crafts.

The health lesson on "Cancer" was presented by Mrs. Arthur Roman, A Craft Day in Edwardsville was announced for Oct. 19 and attending from the Trio Unit will be Mrs. Robert Miller and Mrs. Eugene Short. The Southwestern District of the Homemakers Extension will hold a "Mad Hatter" program Oct. 17 at the Big Top Bowl. A dessert at the course will be served at 12:30 and the public is invited to attend. Tickets at 50 cents are available from all members of the Unit.

THURSDAY, OCT. 4, 1937

The relief fund in Granite City township increased 54 families during September, according to figures compiled by Guy Pitchford, office manager. There were 435 families on the rolls, compared to 402 the month before.

A check of one who reads what has been made at the local library during September. A surprising fact was that a train came regularly for three days and read assiduously on astronomy.

The annual homecoming which was held Oct. 14, 1937, at the Community high school, is being dedicated this year to W. F. Coudage, who is observing his 25th year with the local school. He will speak the last two nights of the celebration.

Purchase of two lots on the northwest corner of 25th street and Grand avenue, in the rezoning of the new Third Baptist Church was completed Tuesday with actual transfer of cash by Charles W. Starnes, secretary. The price was not disclosed.

Three baseball players from the Tri-Cities have signed contracts with the St. Louis Browns and will get a chance with one of the club's Class D farm leagues next spring. They are Tom Gushoff, pitcher; Mike Serich, catcher; and Jack Salem, first baseman. Gushoff and Serich live in Madison and Salem in St. Louis.

Mrs. Sylvia Allison, 2644 East 24th street, who has served as district deputy of the Eastern Illinois District of Pythian Sisters for the past 14 years, was elected grand guard of the state organization at the annual convention held recently in Peoria.

St. David's Church club, one of the pioneer music organizations in the community, has scheduled for 30 to 35 young men, it was announced today by Thomas Paulsen, the club's president. There are plans to increase the membership to 75 or 80 voices.

The annual YMCA drive for \$7500 in memberships and contributions came within \$187 of the goal, Herman Huxel, general chairman, announced Monday.

P. M. Davidson, of Granite City, a member of the St. Louis Regional Planning commission, is attending a special conference in St. Louis today for the purpose of deciding upon the most necessary and logical drainage improvements.

CHARGES LAST-MINUTE LEGISLATIVE DECISIONS

To the Editor:

On Sept. 13, the UN Bond bill was scheduled for the House of Representatives. The day before, Sept. 12, I telegraphed my elected representatives in the 24th district, the Honorable Melvin Price.

I urged him to vote against this bill, citing the example of the UN's tyrannical action against pro-western anti-Communists in Katanga Province, an one basis for withholding our financial support from this so-called peace-keeping force.

Mr. Price felt and how he would vote on this bill.

I received his usual non-committal reply assuring me that my viewpoint would be considered. However, his letter was dated Sept. 13, the day the bill was scheduled to be considered in the House. Mr. Price even sent in his letter that he was sure to vote against this bill.

Apparently Mr. Price did not know how he stood on this very important issue until the last minute. The writer wonders if this snap-judging type of voting is what has earned him his 6% rating by the Americans For Constitutional Action.

If Mr. Price can't take a stand on issues, he deserves to take a fall, and I hope he does so. In November, this was a waste of my time and my money, writing to him, and a waste of his time and my money writing back to me.

In looking over his past voting record, I notice how he has always voted for legislation which would bleed the taxpayers a little more. No wonder our national debt is the highest percentage debt in our history.

High taxes got your goat?

Then cast a Dirksen-Glaser vote!

Defeat Of Sewer Program Merely Postpones The Inevitable, Adds To Cost

Tuesday was Granite City's great day of decision. It was pathetic.

Two-thirds of the voters stayed home; the rest administered a resounding defeat to this city's only hope for health and progress—the \$10 million drainage-pollution program of the Citizens' Sewer and Drainage Commission.

This is not a record Granite City can be proud of; yet most proponents of the sewer plan were not too surprised. Money for public projects, no matter how vital, is hard to come by these days. And people rarely are eager to vote new costs on themselves.

Similar elections have been held in other cities two—and even three—times before finally being carried. The annexation of Nameoki by Granite City, which was beaten twice, had as its sewer program, ultimately was voted in by a substantial margin. This made possible Granite City's tremendous postwar industrial and residential expansion; the drainage-pollution project would have achieved even more for the city in the 1960s and 1970s.

The Citizens' Committee proposal, outgrowth of over the years, was a brilliant idea. It fell victim to public apathy and shortsightedness, as well as to a campaign of vilification and deceit by some of the very men in the city administration who should have spearheaded support for it. There was an appalling lack of statesmanship, of real concern for the welfare of the city and their constituency, on the part of Aldermen Walter Nann, Frank Vesel, Steve Basarich, Edmund Bartosik, Rufus LeMaster, Casmer Skubish and Samuel Shackelford.

Ironically, the citizens' drainage-pollution program offered Granite Cityans much more for their money than they will get out of a river pollution treatment plant alone, which now must be built. An order to that effect from the Illinois Sanitary Water Board can be expected momentarily. And, unlike the citizens' sewer plan, there will be no chance to vote on it or on what it will cost. It must be built; Granite Cityans must pay for it—period.

The real tragedy of Tuesday's election, however, is that the Illinois state police are going to do too distant future everything proposed by the Citizens' Committee will have to be done anyway. When that happens, it will cost much more, and there already may have occurred a heavy toll in sickness and death.

No Place To Hide—For Speed Law Violators

Big Brother may not be looking over our shoulders, but Illinois state police are peering down upon us from airplanes equipped to record highway speed. The new system is similar to radar in that speeders can be detected without their knowledge.

With such speed checks operated at random times and locations, motorists' practice of keeping a close watch on the rear-view mirror no longer is sufficient to avoid arrest for driving violations. This is a step toward safety, but it is not the courts and effective enforcement, and the continuing heavy death toll here and throughout Illinois underlines the importance of traffic safety regulations.

Intelligence will be more prevalent when a loud voice is not synonymous with anything except a loud voice.

Two-Day Vacation Realtors Oppose Sale Of Home Sites By Mail

Adoption of a six-point program by the National Association of Real Estate Boards to protect the public against the dangers of buying certain subdivided land by mail, solely on the basis of advertising solicitation, was met with opposition by the local real estate community.

The County Institute will be conducted Thursday for teachers from Madison, St. Clair, Clinton and Bond counties. Sessions will be held at the County Institute, Clinton, Bond counties. Sessions will be held at the County Institute, Clinton, Bond counties.

On Friday, a step annual meeting of the Marquette division of the Illinois Education association will be held at West Junior high school in Alton. Teachers from Madison, Jersey, Greene, Calhoun and Bond counties will attend.

Harold Bridges of Granite City is a member of the board of directors executive committee. The speakers are Dr. Margaret M. Maher, D.D., of St. Louis; Dr. F. A. Fisher, associate professor of political science at Syracuse University; the Rev. T. J. Maher, S.J., of St. Louis; and a representative of McDonnell Aircraft Corp. who will give a talk on the man in space program.

Those not attending the IEA meeting have the option in attending a meeting of the American Federation of Teachers at McDonnell Aircraft Corp. who will give a talk on the man in space program.

Route 151 Needed Soon As Traffic Artery, Link With Port Shipping

Because Federal Aid Route 151 is so vital to the future of the Quad-Cities, it is essential that there be no move to block or delay the improvement, already long overdue.

The hearing here Oct. 2 will be an appropriate place for discussion of major revisions in the plan, but there should be no request for a major overhaul; preliminary hearings already have been conducted for that purpose.

Traversing the western edge of the local community, the new riverfront roadway—a modern, divided four-lane thoroughfare—will not only ease current traffic congestion but will improve the highway transportation phase of barge-rail-truck services offered by the Port of Granite City. Action is urgent, in view of the continuing harbor development by both the Tri-City Port District and Bi-State Development Agency; the Bi-State Agency will open bids Oct. 22 on expansion of its dock facilities.

Although any improvement of such magnitude as the multi-million-dollar highway project may entail some inconvenience, such as during construction, Route 151 will be a boon to the entire community and region. The cost will be borne principally by the federal government, with an assist from the state.

Public's Protection From Depraved Criminals Being Steadily Weakened

Second thoughts about the drive to humanize punishment and detention of criminals seem in order due to developments of recent years and weeks.

For some time there has been a campaign to outlaw capital punishment, and this has been brought about in some states. The argument has been that the death penalty is cruel and unnecessary. Since prison inmates cannot harm the public, the prospect of such punishment is not an effective deterrent to crime, it is asserted.

The role of confinement as a correctional tool has been stressed by others. They contend that merely to lock up wrongdoers is pointless except in a few extreme cases. "Reform them and turn them free," has been the cry.

Pointing out that environmental factors often contribute to lives of crime, respected persons involved in criminal rehabilitation have gone so far as to attend trials and urge freedom or light sentences for those responsible for heinous crimes.

Now, an Illinois Supreme Court ruling has opened the door for all inmates, regardless of when sentenced, what their crime or how long their term, to seek parole after serving 20 years. This applies to the condemned murderer who was not saved by the governor on the theory that he would never be released; the confessed killer of three women at Starved Rock State Park; and many other depraved criminals who are locked up for life, partly because it was thought they could be kept behind bars for the rest of their lives.

Compassion requires that law violators be given every chance to redeem themselves within the bounds of reason. But there is no logical basis for restoring a prisoner to society.

The blanket ruling by the high state court—leaving only a future politically-appointed parole board as the public's protector, not the courts and jury members—is another step in what may be a growing pattern of explaining away crimes for which there can be no justification.

Industrial Development Book Will Be Of Permanent Value

The Chamber of Commerce has performed a public service in publishing a 123-page brochure which traces the local community's history, natural resources, utility services, labor skills and other assets. It should prove of great help in accelerating development of the Quad-Cities' 70 prime industrial sites.

The guide is designed for present use and also to serve as a permanent documentation of why local urban and unincorporated areas are an ideal place to locate or expand manufacturing and other commercial enterprises. Pages can be added or replaced, ending the local looseleaf binder to be kept up-to-date at all times.

New industry is vital in order that there may be adequate job opportunities, income and tax base. The Chamber of Commerce is proud to publish Quad-City through its industrial development program.

Rites Held Today For Julius Susan Freiner, 8

Funeral services were conducted this morning at Jefferson City, Mo., for Julius Susan Freiner, eight, who died Monday night with pneumonia. She was the daughter of Mr. and Mrs. George Freiner, former residents.

Survivors, in addition to the parents, include three sisters, Mrs. Margaret Ann Oliver of Madison and Geneva Avenue, Judy Freiner of Jefferson City, and a brother, George Freiner Jr., of Madison. Mrs. Freiner was the daughter of Mrs. Hattie White of Glen Carbon.

Interment was in Pacific, Mo.

1963 Pontiacs Feature New Engineering, Design

Both new styling and engineering developments are featured in the 1963 Pontiacs which went on display today at Hundley Pontiac Co., 1801 Madison avenue.

Walter Hundley, head of the firm, said the Pontiac is available in three series, while the Tempest is available in the regular series or new LeMans models.

"Styling and engineering developments found in the 1963 Pontiac are more impressive than ever before," Hundley said. "All models reflect the highest standards of body styling, performance, ride and handling, dependability and serviceability."

Mechanically, the new Pontiacs offer improved front and rear suspension, self-adjusting brakes, increased engine performance, less owner maintenance and new accessory and safety developments.

A new tilting steering wheel may be placed in seven different up or down positions. The "treme" up position allows easier exit from or entry to the vehicle.

Other features include a new AM-FM radio option, a new air conditioning system, a Delcor generator and a breakers ignition system.

The new Tempest, retaining its front engine-rear transmission combination, is available in five models, Hundley said. In addition, a new LeMans series with distinctive styling is offered.

The four-cylinder Tempest engine is available with horsepower ranging from 115 to 166, with a new V-8 engine rated at 260 horsepower. Tempest and LeMans models also feature new suspension and self-adjusting brakes.

Scout Leaders' Course Planned Here Oct. 15

An advanced leadership training class for Girl Scout leaders is planned at St. John's Lutheran Church, 2001 St. Clair avenue, on Oct. 15.

To meet from 10 a.m. to 2 p.m., the session is the second in a program progression workshop, Mrs. Harold Brown, 1632 Moro avenue, is coordinator.

The advanced training class follows and builds upon the basic leadership course, Mrs. Brown said. Through advanced training, the Girl Scout leader or assistant may learn more about girls and their interests, programs and troop activities, she said.

Persons interested in Girl Scout work may register for the course with Mrs. Brown. Registration closes tomorrow. No fee is charged for the course, although participants should have their own lunch.

Information is available from Daryl B. Few, Civil Service Information Representative, at the Granite City post office.

Venice Schools Invest \$250,000 In Unused Funds

A quarter-million dollars in idle Venice school funds have been invested in interest-bearing accounts, President Lester Salem told members of the board of education at their meeting Monday night.

Salem said that under an investment program authorized by the board earlier this year, investments have been made from three school funds. The program went into effect Sept. 25.

Largest investment is a \$125,000, 60-day savings certificate using educational fund cash. Such certificates pay 1% interest. A similar investment of \$25,000 was made from the building fund.

From the working cash fund, \$25,000 was invested in a 60-day placement of funds at Venice and Lincoln high schools was discussed, and Supt. John O. Pier was authorized to seek bids on purchase of a new movie projector.

St. Elizabeth Nurse The board approved Mrs. Raymond (Ruth) McDonald, R.N., of Granite City as school nurse. Mrs. McDonald, a Missouri Baptist Hospital graduate, was on the staff at St. Elizabeth Hospital from 1955 through last year. The school position pays \$3168.

Rev. Russell Oden, Madison Methodist minister, was approved as a temporary English teacher. A McKendree College certificate, while an additional \$75,000 was invested in a six-month certificate. The latter pays 3 1/2% interest.

All investments are with the First National Bank in Madison. Salem said investment of the unused funds, even for short periods, will pay enough to make the program worthwhile.

"Maybe it will pay for a few typewriters," he said.

In other action, the board approved addition of two new staff members, a temporary teacher and a school nurse. Re-graduate, Rev. Oden is to teach half-days at \$13.50 daily until a full-time combination English teacher-librarian is available.

Pier said rear doors to the Venice gymnasium need repair or replacement. Members of the board said replacement of a side door at Lincoln high school is needed, and doors to the Venice cafeteria should be repaired.

Pier and Board Member Roy Musick were authorized to seek prices on the work and report at a later meeting.

Pier said the movie projector in use in Venice classrooms needs repairs to its sound system. Such repairs would cost \$125, he added. After a short discussion, the board authorized him to seek competitive prices and purchase a new projector.

State funds received for transportation and the home economics program will fall short of estimates in the school budget, Pier reported. While the budget includes an estimated \$6319 in state assistance for home economics, he said, actual amount received will be \$4139. The budget includes \$3799 from the state for transportation, with \$2706 to be received.

Use of the school gymnasium two nights a week by St. Mary's Catholic Church was authorized by the board. The Venice police department and the Venice A.C. were each authorized to use the gym one night a week. These were the only requests received.

Centennial Banquet Of GC Church Nov. 3

The last in a series of centennial events of St. John United Church of Christ has been planned for 6 p.m. Saturday, Nov. 3, at the Coolidge junior high school cafeteria, where a banquet will be held.

Rev. Paul Surley, pastor, and former pastors will be among the speakers tracing the history of the church since it was founded in 1862, and direct descendants of the founders will be recognized, along with the oldest church member present. Oliver Jacobson will be master-of-ceremonies and Mrs. Isabel Schmidt will play organ music.

Uniwah Archers Will Tune Up For Deer Season At Nov. 4 Tournament

As in most competitive athletic events, trophies will be awarded to various winners when the Uniwah Archery club stages its annual fall tournament Nov. 4 on the club grounds near Edwardsville.

But another purpose of the meet will be to accustom archers to the conditions they will face when and where they take to the woods later in November in search of live targets during the 12-day bow and arrow season in some Illinois counties.

Members and non-members of the club will be welcome to shoot in the meet, according to Joe Bladick, one of several Granite Cityans who belong to Uniwah.

Archery—believe it or not—leads bowling in the number of persons participating, and Uniwah is conducting a membership campaign in an effort to attract even more area residents to the sport.

Season Nov. 14-26

The top amateurs, a group which would include Don Keel of Pontoon Beach, this year's Illinois aggregate score champion, will be out in force during the archers' deer hunting season, which runs from Nov. 15 through Nov. 26 this year. But experienced or not, all archers are eligible to take part in the November tournament at the Uniwah club.

Fifty-six targets will be set up at various distances and angles. Some are placed across valleys, others at the end of uphill or downhill slopes, and still more on level ground.

Uniwah will try to duplicate

CLAUDE PICKS:

Marquette and Western Military Academy, a pair of Alton high schools which had not won on the football field previously this fall, upset Claude the Computer's attempt at another perfect week in picking the winners of area high school football games.

Lincoln of East St. Louis and Lutheran Central, whom Claude had seen as winners, were the respective victims, giving the electronic brain a 9-11 weekend. Claude did survive the opening week of play in the Southwestern and Midwestern conference very well though, picking all six winners, including Alton over East St. Louis.

He predicts a rather lopsided Alton victory here Friday night, with Granite City the "on paper" victim, and also sees Madison losing its fourth straight, this one to Dupo.

Lead 1-0 In Cup Series

Hearts Can End Inter-City Season Sunday With Victory At Pocahontas

This could be the year! Sacred Heart, a finalist in the Inter-City Baseball league's cup series four times in the past seven years, could win all the marbles for the first time in that period Sunday at Pocahontas.

The Hearts will play the Braves for the second game in the best two-out-of-three series, and will take a 1-0 lead into Sunday's 2 p.m. contest.

The story of past playoffs has been a disappointing one for Heart bachelors and fans. In the last all-Granite City cup finals back in 1956, the old Steelworkers ballclub won from the Hearts in three games to repeat as cup champions.

McAteer Glass of East St. Louis began its domination of the series the following year, and the Hearts were again 2-1 victims in the trophy playoffs.

The Hearts played McAteer in the finals again in 1958 and 1959, and both times the Glassmen took two straight games from the Granite City team.

Merced Won In 1960
In 1960, Merced Funeral Home, eliminated in the semifinals this fall, gave Granite City its most recent cup champion by taking two straight from State Savings of East St. Louis.

If it might be noted that in their four most recent efforts in the playoffs, the Hearts have never jumped out in front by winning the first game.

Last Sunday's 8-7 win at Wilson Park may have given the club a psychological boost. First year Manager Paul Schuler, for one, was not shy about the Hearts' chances. "We're going to win Sunday," he flatterly stated.

Rains vs. Griffiths
Schuler and Pocahontas Manager Dale Haberer plan to stick with the pitchers who started last week's contest here.

Left-handed Lennie Griffiths, whose 13-4 won-loss record is best in the league, is scheduled to pitch for the Braves. Schuler will go with right-hander John Rains, who has an 8-2 record.

Should the Braves, who are the defending cup champions, even the series by winning Sunday, a third game would be played the following weekend, probably on a neutral diamond named by league President Vernon Lucas if Haberer and Schuler cannot agree on a game site.

MHS-Triad Harrier
Contest Rescheduled

The scheduled cross-country meeting Monday afternoon between Madison and Triad high schools has been postponed until Monday, Oct. 8, Coach Earl McClanahan said today.

At Madison's Oct. 8 meeting with Waterloo was canceled earlier, and the open date will be filled by Triad, with the meet to be run on the MHS course at 4 p.m.

Cathedral's Klump, Highland's Ramach Top Grid Scorers

Quarterback Tom Klump, the pass-run threat in Belleville Cathedral's football attack, is this week's leader in a red-hot pre-football scoring race.

Klump scored two touchdowns—and found time to pass for a third—last week as the Crusaders ran to their third straight victory. He now has 33 points in three games.

One point back on the strength of five touchdowns runs and a pair of conversions is Ray Ramach, quarterback for Highland's Bulldogs, who also turned in a two-TD performance in an 11th hour 33-29 win over Dupo last Friday.

Alton's Terry Mitchell, first in the race last week, scored only once Friday and fell to third place with a 26-point total. Mitchell probably is not too concerned about dropping two notches: his 71-yard TD scamper enabled the Redruids to nip East St. Louis 7-0.

Mitchell Kiwanis Club Organizes 30 Teams

Thirty teams have signed up for bowling in the youth league organized recently by the Mitchell Kiwanis club.

A board session followed the usual weekly dinner meeting Monday night at Smith's Cafe. It was announced at that time by the youth activities committee that 18 teams have been organized in the 8-12 age group and 12 teams in the 12-19 age group. The bowling program is open to young persons in the Mitchell area.

Both boys and girls will be taking part in the program. They will bowl Saturdays at Bowland Lanes. Bus transportation will be provided to and from the bowling alley.

Past president Thomas Smith was absent from the meeting. He was the official club delegate to the Illinois District Kiwanis convention on Sept. 30-Oct. 2 in Chicago.

2 TD's Called Back; GCHS Sops Settle For 0-0 Tie Monday

Granite City and Collinsville high school sophomores football squads battled to a 0-0 draw in the rain Monday afternoon at the GCHS football field.

The Warrior sophomores had two scoring plays called back because of infractions.

Mike Mounce's end sweep for a touchdown was nullified by an illegal procedure penalty, and a pass play from Doug Winfield to Jim Fomeny for a score was offset by an offensive pass interference call.

Granite City also blocked two Collinsville punts, but was ruled offside on each occasion.

Granite City will play Madison's sophomore club in Madison Thursday at 7 p.m.

Street Crews Clean, Repair Catch Basins

Other than routine work, Granite City's street department distributed and picked up polling booths for Tuesday's special election this week. Sewer cleaning work continued on 28th street, but was halted Tuesday after one unit of the cleaning machine was struck and damaged by an auto Monday night.

The 21 members of the de-

partment continued catch basin cleaning and also spent a day repairing damaged catch basins.

There was regular work on the grader and filling holes in alleys, as well as routine inspections of lift stations in the Namooki sanitary sewer system.

Turbo-Charged Jetfire Heads 1963 Olds Line

New 1963 Oldsmobiles, including 26 different body styles in five series and a redesigned F-85 line, went on display at Woodrome Oldsmobile, 1905 Madison avenue, today.

Included in the F-85 series this year is a new model, the Jetfire turbo-charged hardtop coupe. The Jetfire is powered with Oldsmobile's newest engine, the Turbo-Rocket, which combines super-charging with ultra-high compression to produce 215 horsepower, according to William Woodrome, president of Woodrome Oldsmobile.

The Turbo-Rocket engine, bucket seats and center console with transmission controls are standard equipment on the Jetfire. The console includes a turbo-charger gauge which tells the driver when he is operating in the fuel economy or maximum performance range.

In addition to the Jetfire, other sports-type models in the F-85 line include the Cutlass coupe and convertible. Full-sized Oldsmobiles for 1963 include six body styles in the Dynamic 88 series, four in the Super 88, six in the 98 and two in the Starfire series. A 345-horsepower engine is standard on Starfire and 98 coupe.

1963 Cadillac Features Unique New Drive Line

The 1963 Cadillac, longer than last year's model and featuring an unique new drive line and other engineering improvements, goes on display tomorrow.

Twelve models in three basic series are included in the new line to be shown by East Side Motors, Inc., 1101 St. Louis avenue, East St. Louis.

Hugh Ousley, an official of the firm, said wheel base on the new Cadillac is unchanged although 11 of the 12 models are an inch longer than their 1962 counterparts. Nine models measure 223 inches overall, he said, while one is 215 inches and two are 243 inches.

A new instrument panel is featured on all models, Ousley said, while the interior trim groups include more styling combinations than ever offered before by Cadillac.

Equipment Bids Sought

Sealed bids are being sought by the Granite City school district on small equipment for cafeterias, water fountain bubblers, school letters, a camera kit, piano, kiln, adding machine, appliances, duplicating machines, gates and athletic equipment. Deadline is 4:30 p.m. next Tuesday, Oct. 9, at the school board office.

Nov. 6 General Election Registration Ends Oct. 9

Tuesday, Oct. 9, is the last day prior to the Nov. 6 general election for voters who have not registered to do so. County Clerk Miss Eulalia Hotz said today in issuing a reminder.

There are 10 locations in the Quad-Cities where local voters may register daily Monday through Saturday, and an additional special registration center will be set up in Venice on one day only, on Oct. 6.

Registration requirements include U.S. citizenship, residence in Illinois for one year, in the county for 90 days and in the precinct for 30 days. Voters must be 21 years of age on or before the date of the general election.

Deputy Registrars

Permanent deputy registrars are at the following locations in Granite City:

A. L. Stevens, city clerk, city hall 9 a.m. to 5 p.m. Monday through Friday, and 7 p.m. to 8:30 p.m. Oct. 2 through Oct. 5.

Mrs. Olive Sigle, 2229 Bryan avenue.

Mrs. Rose Turner, 2141 Waterman avenue, 6 to 8 p.m. Monday through Friday and 9 a.m. to 4 p.m. on Saturdays.

Mrs. Emma Morgan, 717 Jackson street, 9 a.m. to 5 p.m. daily.

E. J. Miller, city hall, 9 a.m. to 4:30 p.m. daily.

Demos Nicholas, 1548 Fourth street, 9 a.m. to 5 p.m. daily.

Mrs. Ida Dant, 1715 Third street, evenings only by appointment.

Venice registration points are:

Mrs. Audress Brown, public library, 325 Broadway, 1 to 6 p.m. Monday through Friday.

Mrs. Florine Musick, 600 Lincoln avenue, 9 a.m. to 5 p.m. daily.

Mitchell residents may register with Mrs. Lois Weeks, 129 East Chain of Rocks road, from 6 to

8 p.m. daily.

A special one day registration point will be set up at the Viola Jones homes in Venice from noon to 8 p.m. on Oct. 6.

Miss Hotz said voters may use the registration point most convenient to them.

ICC Postpones Hearing On ITR Track Removal

(Special from Springfield)

Postponed indefinitely by the Illinois Commerce Commission on Tuesday was a petition filed over a year ago by the city of Granite City seeking to force Illinois Terminal Railroad to remove abandoned street car tracks.

In announcing the postponement, the commissioners gave no reason. However, last week the Granite City council voted to settle the matter for \$30,000.

It has been estimated by the city engineering staff that the cost of removal of the rails and restoration of streets would amount to \$168,000.

Pupils Will Present Piano Recital

A piano recital will be presented by pupils of Mrs. Jewel Everett Friday at 7:30 p.m. at First Baptist Church, 21st street and Delmar avenue.

Those participating will be Valerie and Cheryl Harlow, Elaine and Cynthia Todoroff, Jack and Carolyn Jenkins, Bonnie Byrnes, Laura Little, Phillip Lancaster, Edward and Cheryl Weston, Mark Maygar, Anna Mae Zimmer, Brenda Lane, Linda Deen, Betty Baker, Betty Hanfelder, Barbara Milst, Linda Kuntz, Ovella Brokaw, Raymon Heath, David Smith, Diane McGovern, Tommy Crabtree, Carolyn Boyer and Harlan Jones.

Kiwanis Club Appoints Nominating Committee

A slate of 1963 officer candidates will be announced within the next two weeks by a nominating committee of the Granite City Kiwanis club. Appointed to the committee Monday evening were Merlin Hucott, Freeman Wolfe and Leland Britt, all past presidents of the club.

The Kiwanians met a half-hour earlier this week and dispensed with the usual program to take part in the motorcade that toured Granite City in support of the \$10,000,000 sewage treatment and pollution abatement bond proposal.

CADILLAC—A NEW STANDARD OF EXCELLENCE IN 1963

This is the look of leadership for 1963—bold new elegance of design and brilliant new excellence of craftsmanship.

More than one hundred and fifty major advancements embrace every aspect of exterior and interior styling... body construction... chassis design... and appointments. And the most improved engine in fourteen years resides beneath the sweeping engine of hood. All this, together with a unique new true-center drive line, makes the 1963 Cadillac smoother, quieter and more efficient than ever.

There are twelve new models in 1963, including two dramatically styled coupes, the distinguished Sixty Special and the world-renowned Eldorado. Each has the widest choice of colors, fabrics, leathers and options in Cadillac history.

There is a very easy, quick way to confirm all this. Visit your Authorized Cadillac Dealer for a firsthand inspection and for an hour behind the wheel. Why not do it before the week goes by? We know you'll agree that in 1963 Cadillac sets new standards of excellence.

United Fund Drive To Open Oct. 12 With Downtown Rally

The 1962 United Fund drive will get underway officially Friday, Oct. 12, with an open air rally on N. Dearborn avenue at the post office. The Latin American Rhythm Ensembles from Coolidge Junior high school will provide entertainment.

This year's campaign is to be conducted with a nautical theme. The Granite City council granted permission for the rally at its regular meeting Monday night. The street will be blocked off from 6-7 p.m.

Three United Fund organizational meetings were scheduled for this week. The Industrial Task Force met this afternoon at the YMCA to review assignments and check on enrollment progress. The Commercial Task force met Tuesday afternoon at the YMCA.

Quotas for the various task forces and flotillas were distributed and explained at the Rose Bowl restaurant. Forty persons attended including a Municipal Units Task Force, representing the civil employees of Granite City, Madison and Venice.

Seek 10% Increase
Campaign Chairman "Admiral" John McBride expressed his satisfaction with the enrollment progress so far. He said each group must aim for a 10% increase over last year to assure success in meeting the goal of \$299,231.

Gordon Hoener, publicity and promotion commodore, reviewed plans for the opening rally. The United Fund goal includes 17 separate appeals from member agencies. The agencies and their goals are: American Red Cross \$28,000; Aid to Retarded Children \$500; Boy Scouts \$39,510; Boys Town of Illinois \$3600; Catholic Charities \$25,100; Coordinated Youth Services \$17,796; Girl Scouts \$16,830; Health Services Fund \$9000; Illinois Children's Home and Aid Society \$2500; Madison County Mental Health Clinic \$8900; Protestant Welfare \$11,780; USO \$600; YMCA \$33,780; Madison Teen Town \$4800; Salvation Army \$20,088; Visiting Nurse Association \$3300; and YMCA Teen Town \$8325.

The entire campaign has been put into a nautical theme for this year with the usual campaign divisions being designated as task forces and flotillas and the various chairmen and workers designated by nautical ranks. Following the business session Monday Gordon Currie, Australian artist, humorist and television personality, entertained the group with anecdotes and drew caricatures of the United Fund committee members. He plans to attend a progress report meeting here during the campaign.

86 Traffic Accidents In GC Last Month

A total of 140 drivers were involved in accidents in Granite City during September, according to the police department records office. Of these, 86 were arrested on various charges.

The department had predicted 88 accidents for the month. There were 86 reported. Twenty-nine persons were injured.

Of those injured, two were pedestrians. 21 were in accidents involving other motor vehicles, one was a bicyclist, one was hurt in striking a fixed object, a gas pump, and four were in autos that ran off the road.

Compared to the same period last year, the accident record was considerably improved from Jan. 1 through Sept. 30. Though there were 751 accidents, up five, there were only 229 persons injured, down 55, and two killed, down one.

As usual, Madison avenue was the scene of the location of more accidents in September than any other street. There were 20 on Madison out of the total 86. Of these, nine were at 21st street and nine others were between 22nd and 24th streets.

Saturdays accounted for 20 of the total accidents. The second highest figure, 16, occurred on Tuesdays. The time of the highest incidence of traffic accidents was from 1-2 p.m. with 12.

Of the 86 accidents, 21 involved collisions with parked vehicles. Of these, 18 involved both property damage and personal injuries.

\$2,000,000 Invested By GC School District

Granite City school district funds totaling more than \$2,000,000 have been invested to obtain interest, a report by Monroe Worthen, school board member and school district treasurer, has disclosed.

Treasury bills purchased by the district include: \$1,438,033 from the educational fund, \$108,300 from the building fund, \$198,902 from the bond and interest fund, \$19,745 from the retirement fund and \$19,914 from the transportation fund. The \$2,072,323 investment total is to increase to \$2,090,000 by the maturity dates, for earnings of \$17,677.

Cash balances at the start of

the new school term in September were: \$190,386, educational fund; \$54,959, building fund; \$3891, new construction fund; \$626, federal construction fund; \$7786, transportation fund; \$19,888, retirement fund; and \$13,384, bond and interest fund.

Hit-And-Run Accident

Considerable damage was done Tuesday to the front of an auto owned by William Bratten, 2014 Grand avenue, while it was parked at his home. A hit-and-run vehicle is believed to be a truck since red paint was found on the hood of Bratten's auto, police said.

When he's in college,
a Medallion home will still be modern

Most older homes were wired long before anybody dreamed how much modern families would depend on electricity.

Even some new homes are wired as though the owners were going to get along without electric dryers, air conditioning and appliances all over the house.

But a Medallion home earns its seal because it is wired, not just for today, but for years and years of progress in electrical living.

A Medallion home will still be modern electrically when the youngest member of the family comes home with his college diploma.

Insist on a Medallion home when you build or buy.

Pact With Common Market Building Permits Needed, Rotarians Told

The United States has much to lose if it fails to negotiate a more intimate trading relationship with the European Common Market, a U. S. Department of Commerce official told members of the Granite City Rotary Club Tuesday.

William H. Curran, assistant to the manager of the department's St. Louis field office, said, "We already have indications of the impact of Common Market tariff reductions on our European markets."

"Before the Common Market was established, U. S. and Italian manufacturers of radio and television transmitters and receivers paid the same tariff rates on their shipments to West Germany," Curran said, "duties ranging from 12 to 15 percent on the various items within the category."

Four years later, he said, after the Common Market's internal tariffs had been reduced 40%, the Italian manufacturer paid duties ranging from seven to nine percent. The U. S. manufacturer, by contrast, paid from 12.8% to 17.6%.

U. S. Share Drops
In 1960, before the Market began to establish its common external tariff, U. S. equipment accounted for 39% of West Germany's imports in this radio-TV category," the speaker said. "Italian equipment accounted for only four percent."

"During the first nine months of last year, after the spread in tariff rates began, we dropped from 39% to 20% of the German imports, Italian sales, on the other hand, increased from four percent to 25%."

Curran said the problems faced by this country will be even greater if Britain and other members of the European Free Trade Association become Common Market members.

From successful negotiations for a better Common Market trading relationship, however, the U. S. has much to gain, the commerce department official said.

WILLIAM H. CURRAN

New Jobs, More Profits

"Treaty of being markets which our somewhat sluggish economy of the past few years cannot afford, we can give our businessmen new access to foreign markets which will build sales, create new jobs and earn additional profits in markets around the world," he said.

To achieve lower tariffs for U. S. exports, Rotarians were told, "we must be prepared to accept lower tariffs on imports."

We must be willing to give greater competition from increased imports in some areas of our economy and make the required adjustments to new market conditions which will result."

To meet the Common Market's challenge, Curran said, the American businessman must improve his cost position. He must continue to modernize his industrial plant, increase productivity and efficiency and help hold the wage and price line.

New Products, Techniques
He must also step up his research and development, the speaker said, especially the engineering work of transforming a rising tide of scientific knowledge into new consumer products and new industrial processes. He must apply to overseas markets the same aggressive selling techniques which have built our domestic markets.

"We need to bring more firms into active exporting," Curran said. "Only about four percent of our manufacturing firms export any of their products. Our largest concerns are very active, but there is abundant evidence that smaller firms can succeed in developing foreign sales."

And finally, the club members were told, the American producer needs to think in terms of a world wide market.

Curran said Illinois ranks second only to New York in the value of manufactured products exported.

"We in the St. Louis field office of the U. S. Department of Commerce are proud to have southern Illinois in our territory," he said. "We join you and your neighbors to the south in feeling that the entire area is in for a new era of growth and prosperity."

Building Permits Total \$625,646 In GC Last Month

Construction in Granite City during September, totaled \$625,646 in building permits issued.

Earl Bloomquist, city building inspector, said permits approved during the final week of the month amounted to almost \$70,000. Planned construction includes a \$23,680 church.

The church, designed to accommodate 100 worshippers, is to be erected at 2822 Palmer avenue by the Kingdom Hall of Jehovah's Witnesses. Designed by architects Gabriel and Dulgeroff, the structure is to be 74x32 feet, of brick veneer construction.

Other projects for which permits were issued last week include an \$18,000 home at 97 Riviera drive to be built by James Frey. Of brick veneer construction, it is to contain five rooms with one and one-half baths.

A permit for a \$15,000 remodeling project at 2900 Michigan avenue was received by Kenneth Hillier. Work to be done includes addition of three rooms and a bath to the existing structure there.

One permit for a commercial project was issued that for general repairs at the Simpson Paint store, 23rd and State streets. Estimated cost of the work is \$500.

New Sign Permit
First Granite City Savings and Loan Co., 1825 Delmar avenue, received a permit for a 26x13 foot electric advertising sign. The cost is listed at \$3500.

Garage or carport permits, totaling \$400, were issued to the following: Edward Markham, 2120 Edison avenue, \$1500; Second Baptist Church, 2100 Illinois avenue, \$200; Ray Wall, 2816 Edgewood drive, \$1500; Roy LaRosa, 2712 Lincoln avenue, \$200; Everett Cauble, 4124 Melrose avenue, \$1000; Russell Weil, 1341 Garland avenue, \$500.

Among those who received permits for home improvement or repair projects were Mrs. Ruby York, 2028 Twelfth street, \$2000; Clifford Ozart, 2310 Iowa street, \$1000; Lewis Anderson, 1727 Maple street, \$150; Arvil Hodler, 2532 Wayne avenue, \$100; O. D. Hudson, 2565 Walshaw avenue, \$100; Otto Hartman, 1412 Twenty-fifth street, \$100; and David Foote, 1331 Edwardsville road, \$400.

ALL-NEW HARDTOP, 1963 RAMBLER which goes on display tomorrow at Brewer Motor Co., 2163 Madison avenue. The new Ramblers of American Motors Corp. are featured in Classic Six and Ambassador V-8s.

New Ramblers For '63 On Display At Brewer Motor

"The 1963 Ramblers, officially on display tomorrow at Brewer Motor Co., 2163 Madison avenue, re-emphasize the compact leader's size and balance concept while utilizing new body building techniques to take on a fresh new appearance," local dealer, J. E. Brewer said today.

The new Rambler Classic Six and Ambassador V-8, are lower in silhouette, look much bigger but are actually more than an inch shorter in over-all length than previous models.

Coming on the heels of the best sales year in American Motors Corp. history, Rambler's first major appearance change in several years is based on an advanced unit construction method that results in a stronger, safer body and greater precision and quality in manufacturing, Brewer said.

Other highlights of the '63 Rambler include a seven-fold increase in use of galvanized steel for greater rust-resistance, step-down design with lower over-all height, curved side glass, new grille design, large wrap-around bumpers, new two-stick floor shift transmission with over drive, permanently lubricated transmissions, alternators and many other improvements to further reduce maintenance costs and service.

Continued features include Rambler's double-safety brake system and ceramic-armored muffler and tailpipe. Brewer pointed out, "one of the by-products of our new unit body construction is increased wheelbase without increase in over-all length."

Such Named On SIU Program Board

Louis Such of this city, a student at Southern Illinois University, Carbondale, has been named to serve on the University Center Student Program Board as co-chairman of displays.

The board is named by staff members of the student activities office to plan and supervise activities scheduled in the University center.

of the Illinois Banking Act which would authorize State banks to do any act and to own and carry as assets property of such character, including stock in other National banks.

The proposed amendment to Section 13 of the Illinois Banking Act adds a provision authorizing the revocation of a charter of a new State bank, if the bank does not commence a general banking business within the year from the date of the issuance of the charter. However, this proposed amendment also contains a provision for the one-year limitation upon submitting a request in writing to the Director for such extension, and approval of such request.

The proposed amendment to Section 16 of the Illinois Banking Act raises the minimum number of directors of State banks from 3 to 5. This proposed amendment also provides that at least two-thirds of the directors of each State bank must be residents of the State of Illinois.

The proposed amendment to Section 34 of the Illinois Banking Act would add a provision that the limitations upon the liabilities of any one person and upon the purchase and holding of marketable investment securities shall not apply to obligations of an endorser or guarantor of negotiable or non-negotiable instrument paper, which carries full recourse endorsement or unconditional guarantee from the transferor, if it is apparent to the bank or its officers that the financial condition of the maker of the obligations is reasonably adequate, and if an officer of the bank certifies that the bank was relying primarily on the credit of the maker for the obligations.

The proposed amendment to Section 48 of the Illinois Banking Act revises the schedule of fees which may be paid by the banks for the examining of the books and records of the Department of Financial Institutions. The new fee schedule provides for a base fee of \$10,000 for the examination of the books and records of \$10,000 of assets up to two million dollars down to 20 per \$1,000 of assets in excess of one billion dollars. This proposed amendment also provides that the examination fee is to be based on the assets as shown by each of the four published reports of condition required quarterly, instead of the total assets of the bank as of the date of the examination. One-fourth of the annual examination fee is to be paid at the time of filing the quarterly report of condition.

A further proposed amendment to Section 48 of the Illinois Banking Act authorizes the Director of the Department of Financial Institutions to make an examination in respect to the nature and condition of the assets in or investment of any bank, or of any officer or employee of any bank, or of any State bank. The proposed amendment also sets out the manner in which violations are to be handled.

The proposed amendment to Section 51 of the Illinois Banking Act provides that any banking business done in violation of any of the provisions of the Illinois Banking Act is unlawful and is subject to correction by the Director in the same manner as business done by the bank in violation of any of the provisions of the Illinois Banking Act.

CHARLES F. CARPENTIER,
Secretary of State.

Approved this 5th day of September, A.D. 1962.

WILLIAM G. CLARK,
Attorney General.

TO THE COUNTY CLERK OF MADISON COUNTY, ILLINOIS:

I, CHARLES F. CARPENTIER, Secretary of State of the State of Illinois, do hereby certify that the foregoing is a true copy of the Statement and Suggestions prepared by me as necessary to afford a proper understanding of the proposed amendments to the Illinois Banking Act, which proposition is to be submitted to the voters at the general election on November 6, 1962.

And I further certify that said Statement and Suggestions have been submitted to and approved by the Attorney General of the State of Illinois and do hereby certify that the foregoing is a true and correct copy of the same.

IN WITNESS WHEREOF, I hereunto set my hand and affix the Great Seal of the State of Illinois, this 5th day of September, A.D. 1962, and of the Independence of the United States the one hundred and eightieth.

CHARLES F. CARPENTIER,
Secretary of State.

The polls of said election will be opened at 6 o'clock A.M. and continue open until 6 o'clock in the afternoon of the said day.

Sealed proposals will be received by the Community Unit School District No. 9 at 204 State Street, Granite City, Illinois, up to 4:30 P.M. D.S.T., Tuesday, October 23, 1962, for the construction of:

1. ELEMENTARY SCHOOL, GRANITE CITY, ILLINOIS

2. ADDITION TO MITCHELL MIDDLE SCHOOL, ILLINOIS

The bids will be opened promptly at 10:30 A.M. on Tuesday, October 23, 1962. All Contractors are invited to be present at the bid opening.

Plans and specifications will be available at the office of Gabriel and Dugger and Associates, Architects, 1209 Twenty-Third Street, Granite City, Illinois, at any time after NOON, October 4, 1962. One (1) set of plans and specifications will be loaned to each General, Mechanical, and Electrical Contractor only on deposit of \$50.00 each.

Deposits will be refunded upon return of plans and specifications to the Architect in good condition within ten (10) days after the opening of bids.

Proposals will be received covering General Construction, Plumbing, Heating, and Electrical Work, under separate contracts for each of the separate building projects. Any Contractor submitting a proposal consisting of a combination of two or more contract items shall submit separate proposals for each of the separate phases of the work. No combined proposal will be accepted unless separate proposals are submitted. A combined proposal for both projects may be submitted covering one item of work; for instance, if a Plumbing Contractor wishes to submit a combined proposal for both projects, he may do so, but he must submit a separate proposal for each project.

Prices quoted in Base Proposals and Alternates shall be guaranteed for a period of thirty (30) days after date of proposal. Proposals shall be submitted by mail or in person in duplicate on forms to be provided by the Architect in accordance with the Instructions to Bidders. Proposals shall be accompanied by Bidder's Bond or certified check payable to the Community Unit School District No. 9 in the amount of ten (10) percent of the bid. Checks will be returned only after the bid is opened.

Security of the three low bidders will be returned immediately after the signing of the contract or the rejection of all bids.

The Owner reserves the right to reject any or all bids or to waive minor informalities in any bid or to make award in their best interest.

80 Churches in Survey

Partial results of a recent church attendance survey among 80 participating churches in the Quad-Cities area was presented Tuesday at the meeting of the Quad-Cities Ministerial Association.

Rev. Paul Evans, chairman of the committee, said the average attendance during the period May 13 through June 17 was 23,558 attendance, of which 9327 was at Roman Catholic churches.

He said the report was partial and further data on membership will be available next month. Percentage-wise, the attendance was 48% based on area population.

The presentation was made Tuesday morning at a meeting of the group at St. John United Church of Christ, presided over by Rev. Robert J. Smith, president of the association.

40 Quad-City Cub Pack Leaders Being Trained

Forty local cub pack leaders attended the first of six training sessions Tuesday night at St. John United Church of Christ, Granite City, Mo.

The training sessions were conducted by Rev. Paul Evans, chairman of the committee, and the average attendance during the period May 13 through June 17 was 23,558 attendance, of which 9327 was at Roman Catholic churches.

He said the report was partial and further data on membership will be available next month. Percentage-wise, the attendance was 48% based on area population.

The presentation was made Tuesday morning at a meeting of the group at St. John United Church of Christ, presided over by Rev. Robert J. Smith, president of the association.

Card of Thanks 32

I WISH TO EXPRESS my
heartfelt thanks to relatives
and friends for their kindness
and flowers extended at the
death of my beloved wife MAR-
GARET LUCCHESI. Special
thanks to Rev. James Craddock,
Pastor, American Legion Post
113 and Auxiliary and the Mer-
cer Funeral Home, and
Andy Lucchesi. (Husband)
32-10-4

We wish to express our sincere
thanks and appreciation to our
many friends, neighbors and re-
latives for the sympathy shown
us during the recent loss of our
dear wife, mother, grandmother,
sister and aunt, ANNIE S.
SCHREIBER. We wish to thank
those for the beautiful floral
pieces, the nurses at St. Clara
hospital, Dr. Byers, the
Sedlack Funeral Home, and
especially Reverend and Mrs.
Paul R. Surbey for their spiri-
tual blessings.
MR. EDWARD SCHREIBER

In Memoriam 33
In loving memory of MARION
J. PAIS, September 29, 1957;
Sadly missed by children.
33-10-4
In loving memory of RAY E.
ROBINSON, who passed away
Oct. 4, 1962:
Our kind and loving father,
We think of you today—
And recall the happy hours
We spent the day you passed away;
Never shall your memory fade,
And although we miss you so,
We are waiting till we, also,
Leave this world of strife and
sorrow.
Sadly missed by Family. 33-10-4

In loving memory of PETERUS
(SLIM) CULPIN, who passed
away Oct. 7, 1961:
We miss you Slim, the three you
left so fast.
We think of all the good things
There hasn't been a single day,
We haven't thought of you.
Just little things around the
house, remind us of you to
the years may pass, and new
ones come, but you will always
be with us.
The one bright spot, that will re-
main, in our memory.
Sadly missed by wife, son,
daughter, and all who
loved him. 33-10-4
